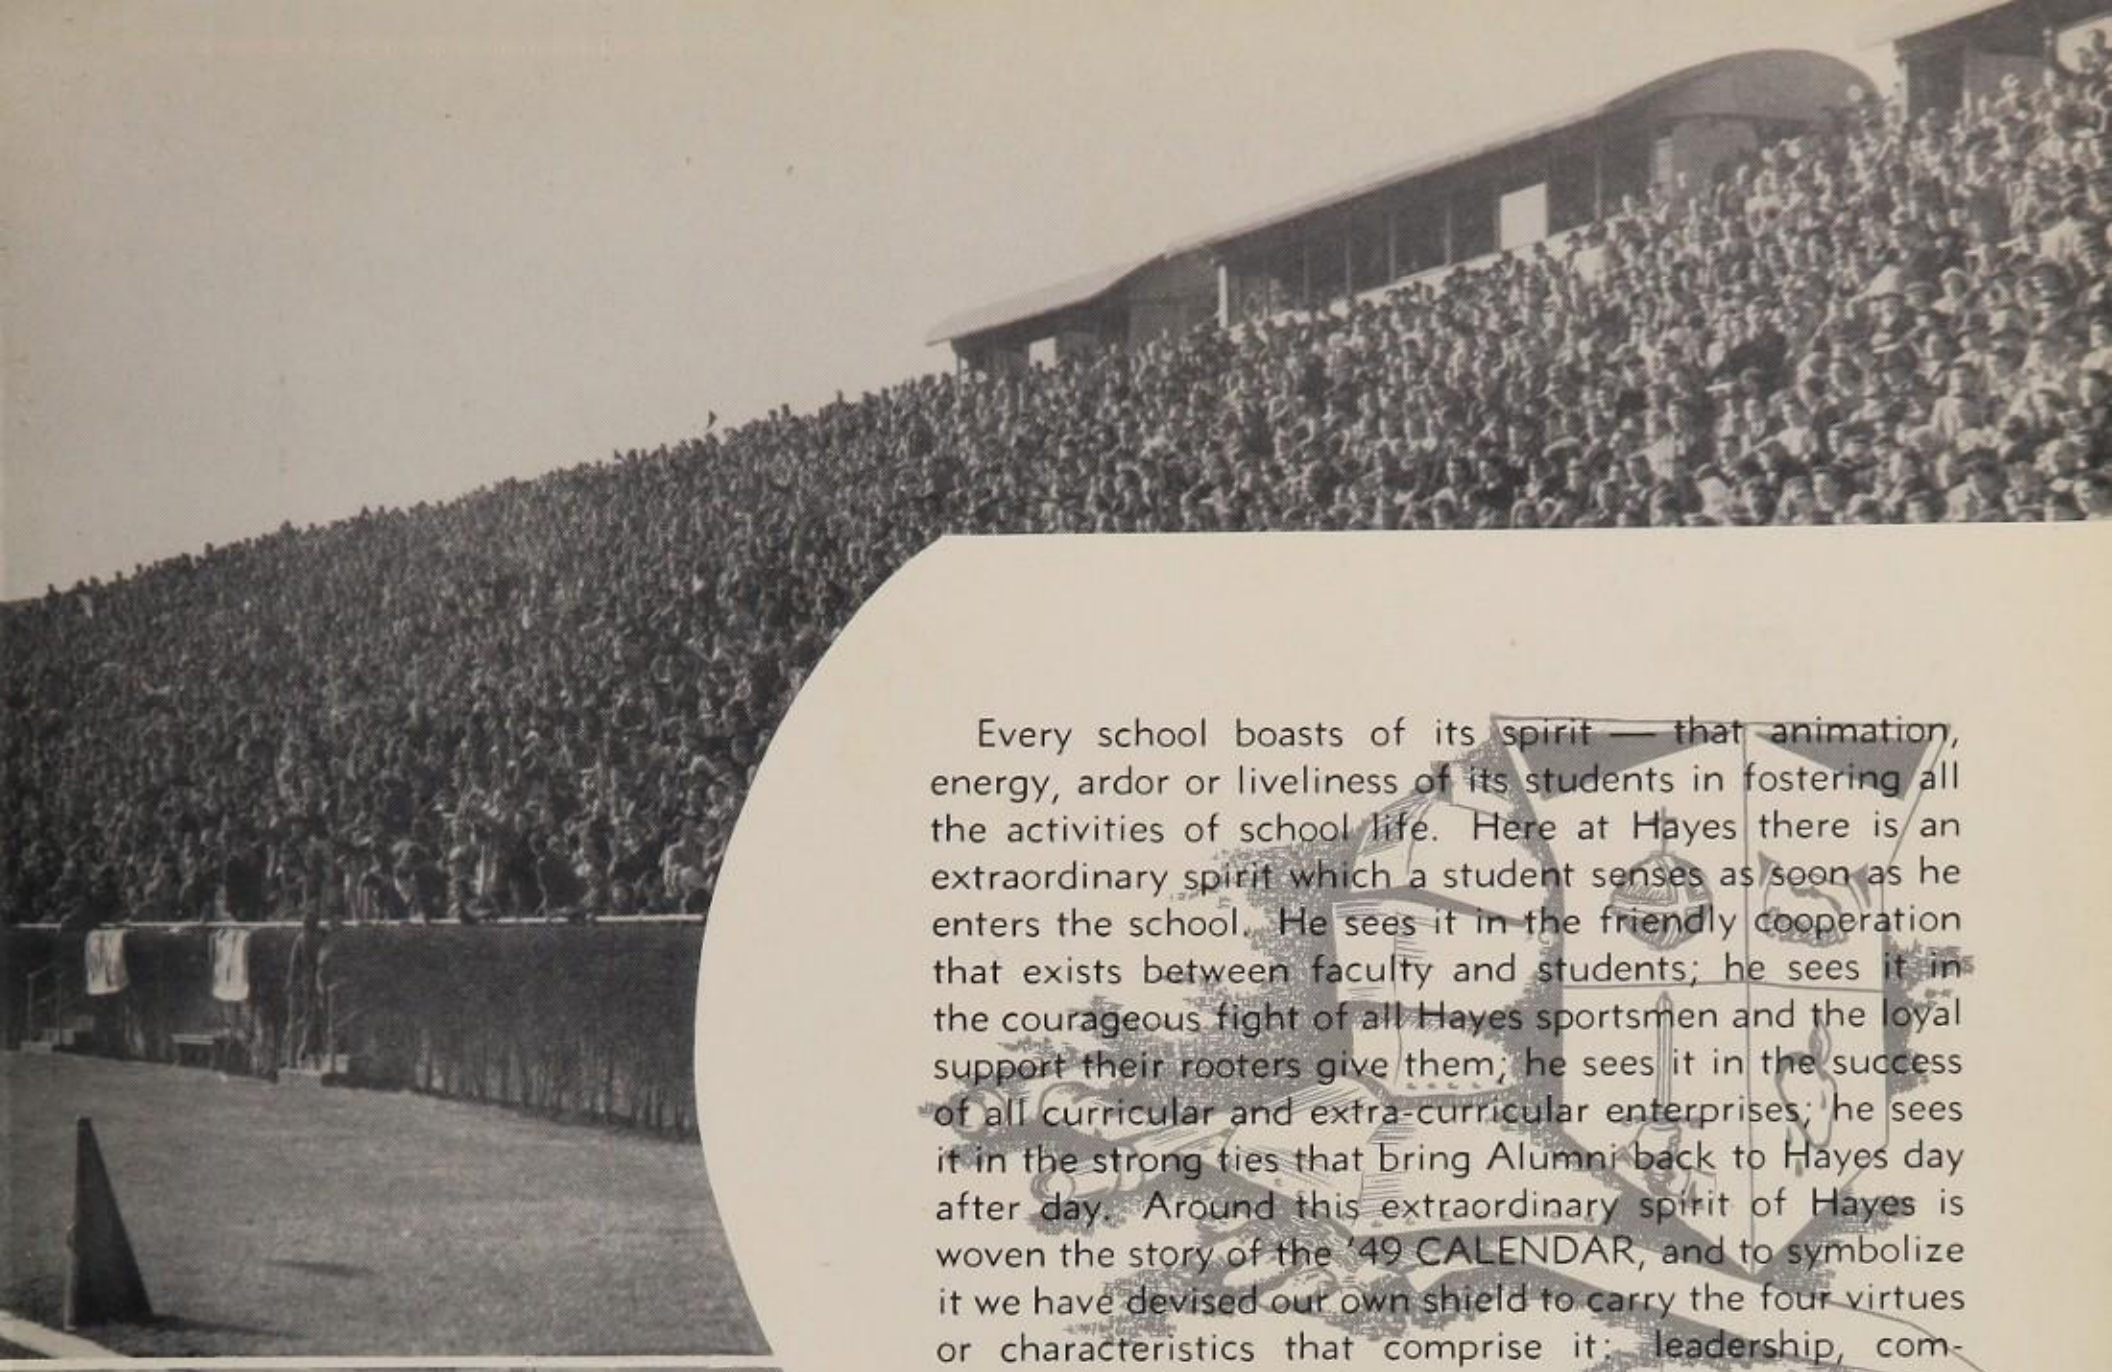
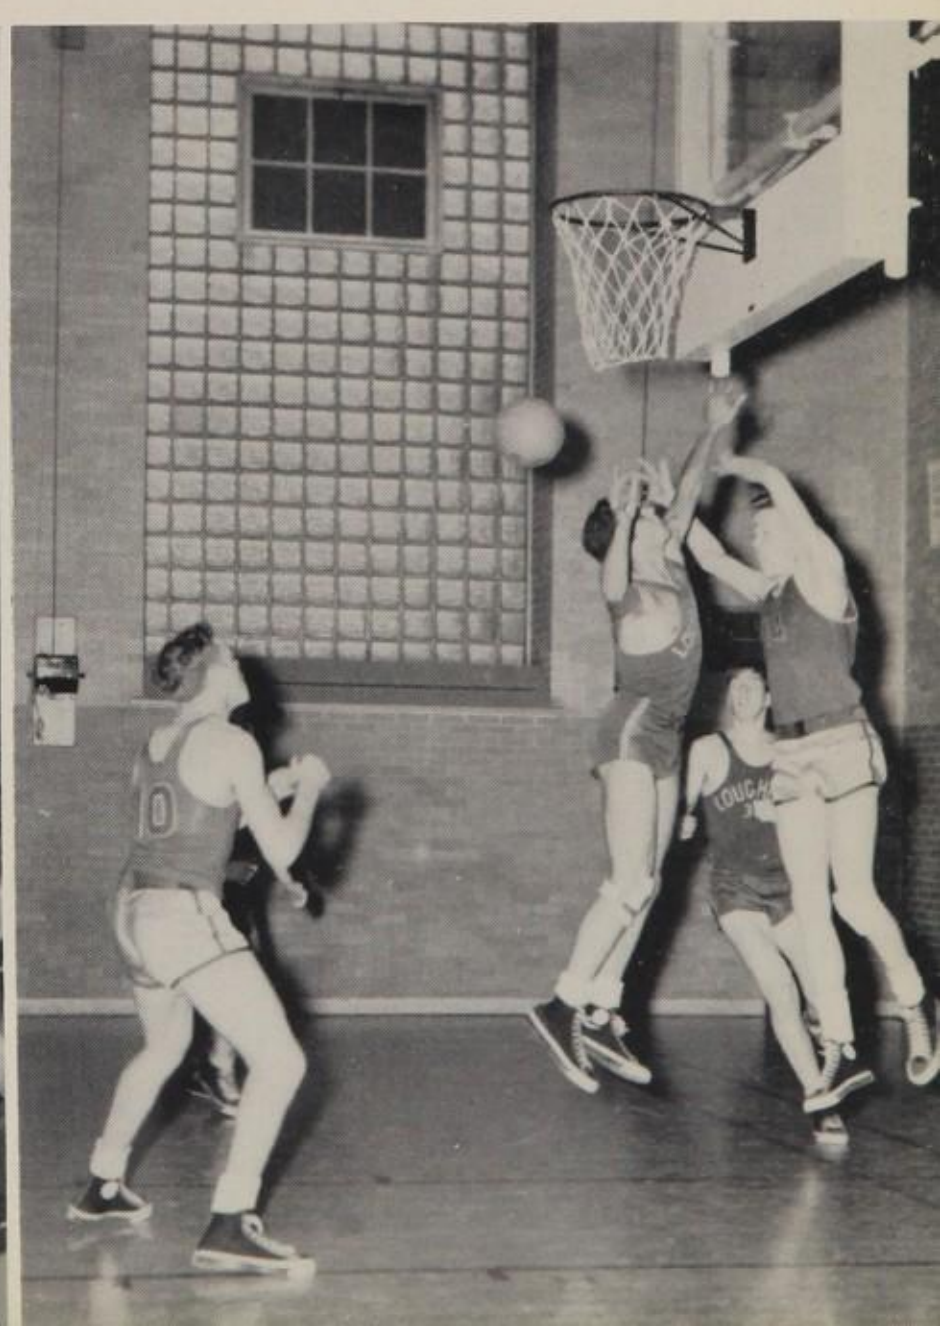
The Spirit of Hayes



Every school boasts of its spirit — that animation, energy, ardor or liveliness of its students in fostering all the activities of school life. Here at Hayes there is an extraordinary spirit which a student senses as soon as he enters the school. He sees it in the friendly cooperation that exists between faculty and students; he sees it in the courageous fight of all Hayes sportsmen and the loyal support their rooters give them; he sees it in the success of all curricular and extra-curricular enterprises; he sees it in the strong ties that bring Alumni back to Hayes day after day. Around this extraordinary spirit of Hayes is woven the story of the '49 CALENDAR, and to symbolize it we have devised our own shield to carry the four virtues or characteristics that comprise it: leadership, companionship, loyalty and courage.

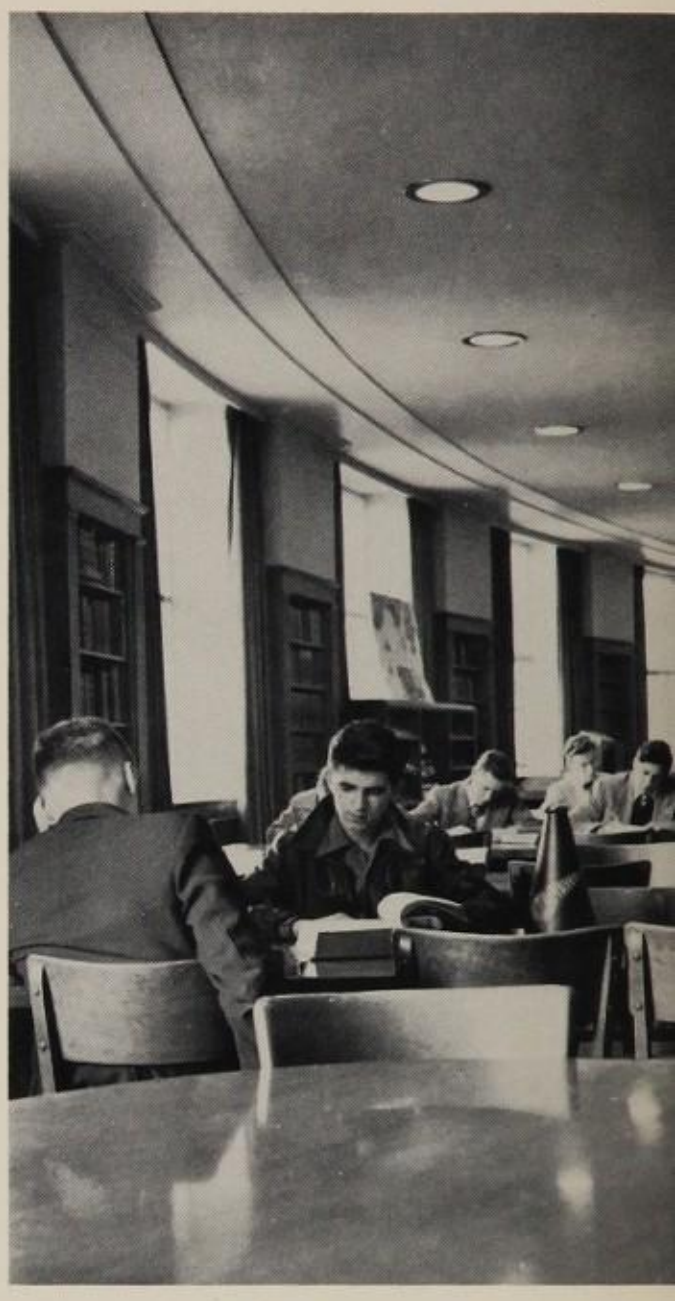


Views of the School

The Chapel

. . . where Hayes men develop the spiritual side of their nature.

The Library



. . . where Hayes men study and sometimes relax mentally.

The Auditorium

. . which is used for weekly Benediction, assemblies and plays.

The Main Corridor

. . . where seniors like to gather
and admire the fast-filling
trophy case.

The Gymnasium

. . . where "deep knee-bends"
plagued us for four years.

The Cafeteria

. . . where the lines are too long
and the time is too short
for lunch.

Our

Right Reverend

Monsignor Edward J. Waterson

Principal

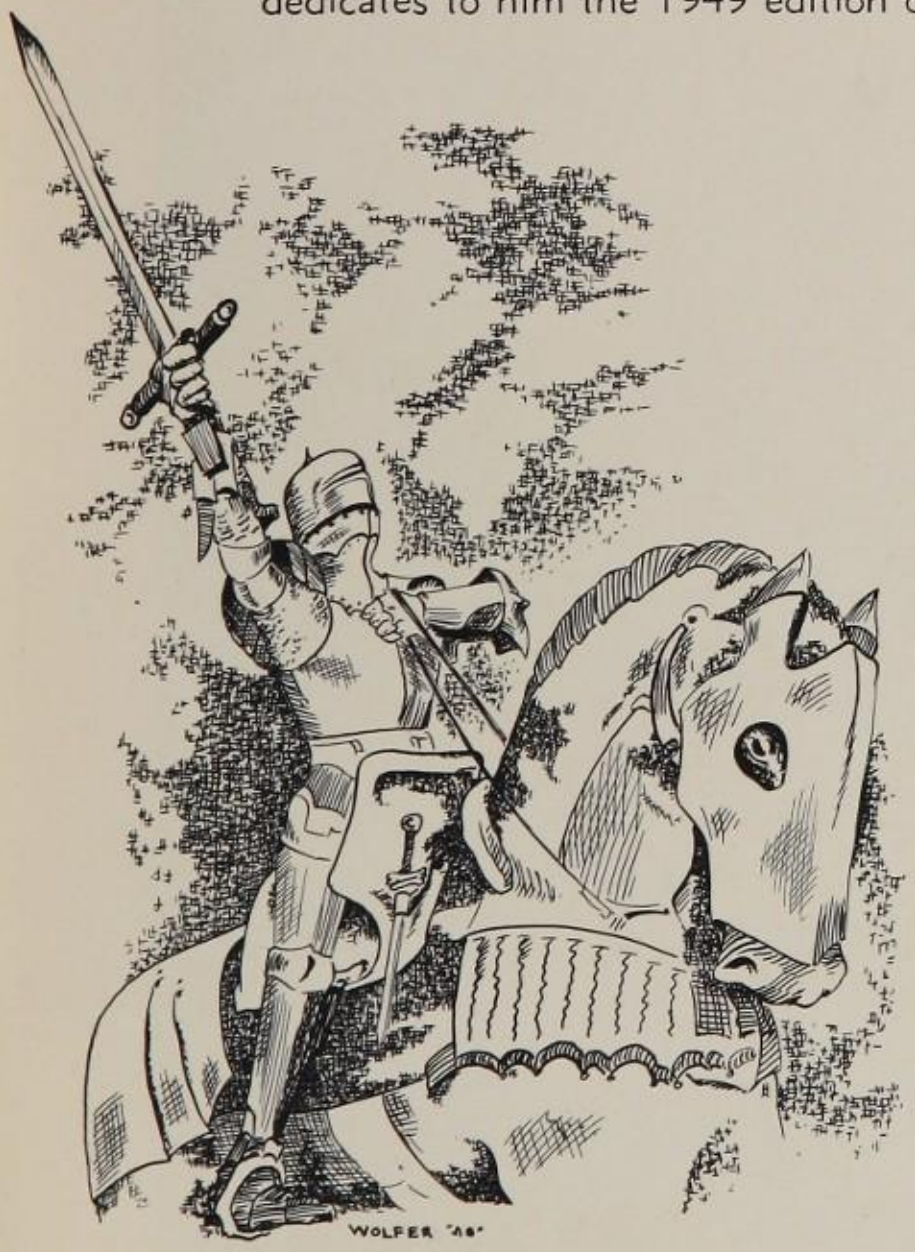
Dedication

When the Class of 1949 entered Hayes in September, 1945, a new principal entered with them. For four years the present senior class and Monsignor Edward J. Waterson have worked together for the advancement of the school, growing in stature as "Men of Hayes."

In taking over the reins of Hayes, the new principal brought with him a wide background in educational experience. For seventeen years he had been a professor of Latin at Cathedral College, the preparatory seminary of the archdiocese. For the year prior to his coming to Hayes he had been the archdiocesan Secretary of Education to His Eminence, the Cardinal.

During our four years he has been to us a leader and a friend. He quickly absorbed "the Spirit of Hayes" and encouraged every activity. He praised our progress and stimulated our scholarship. He mingled with us at all of our dances and rooted loyally for us at all of our games.

Recently he was made a Domestic Prelate by His Holiness, Pope Pius XII in recognition for his outstanding work in education. The senior class salutes Monsignor Waterson on his advancement and, as an expression of gratitude, dedicates to him the 1949 edition of the CARDINAL'S CALENDAR.



Monsignor Waterson welcomes the visiting Coyle team at the dance held in their honor.

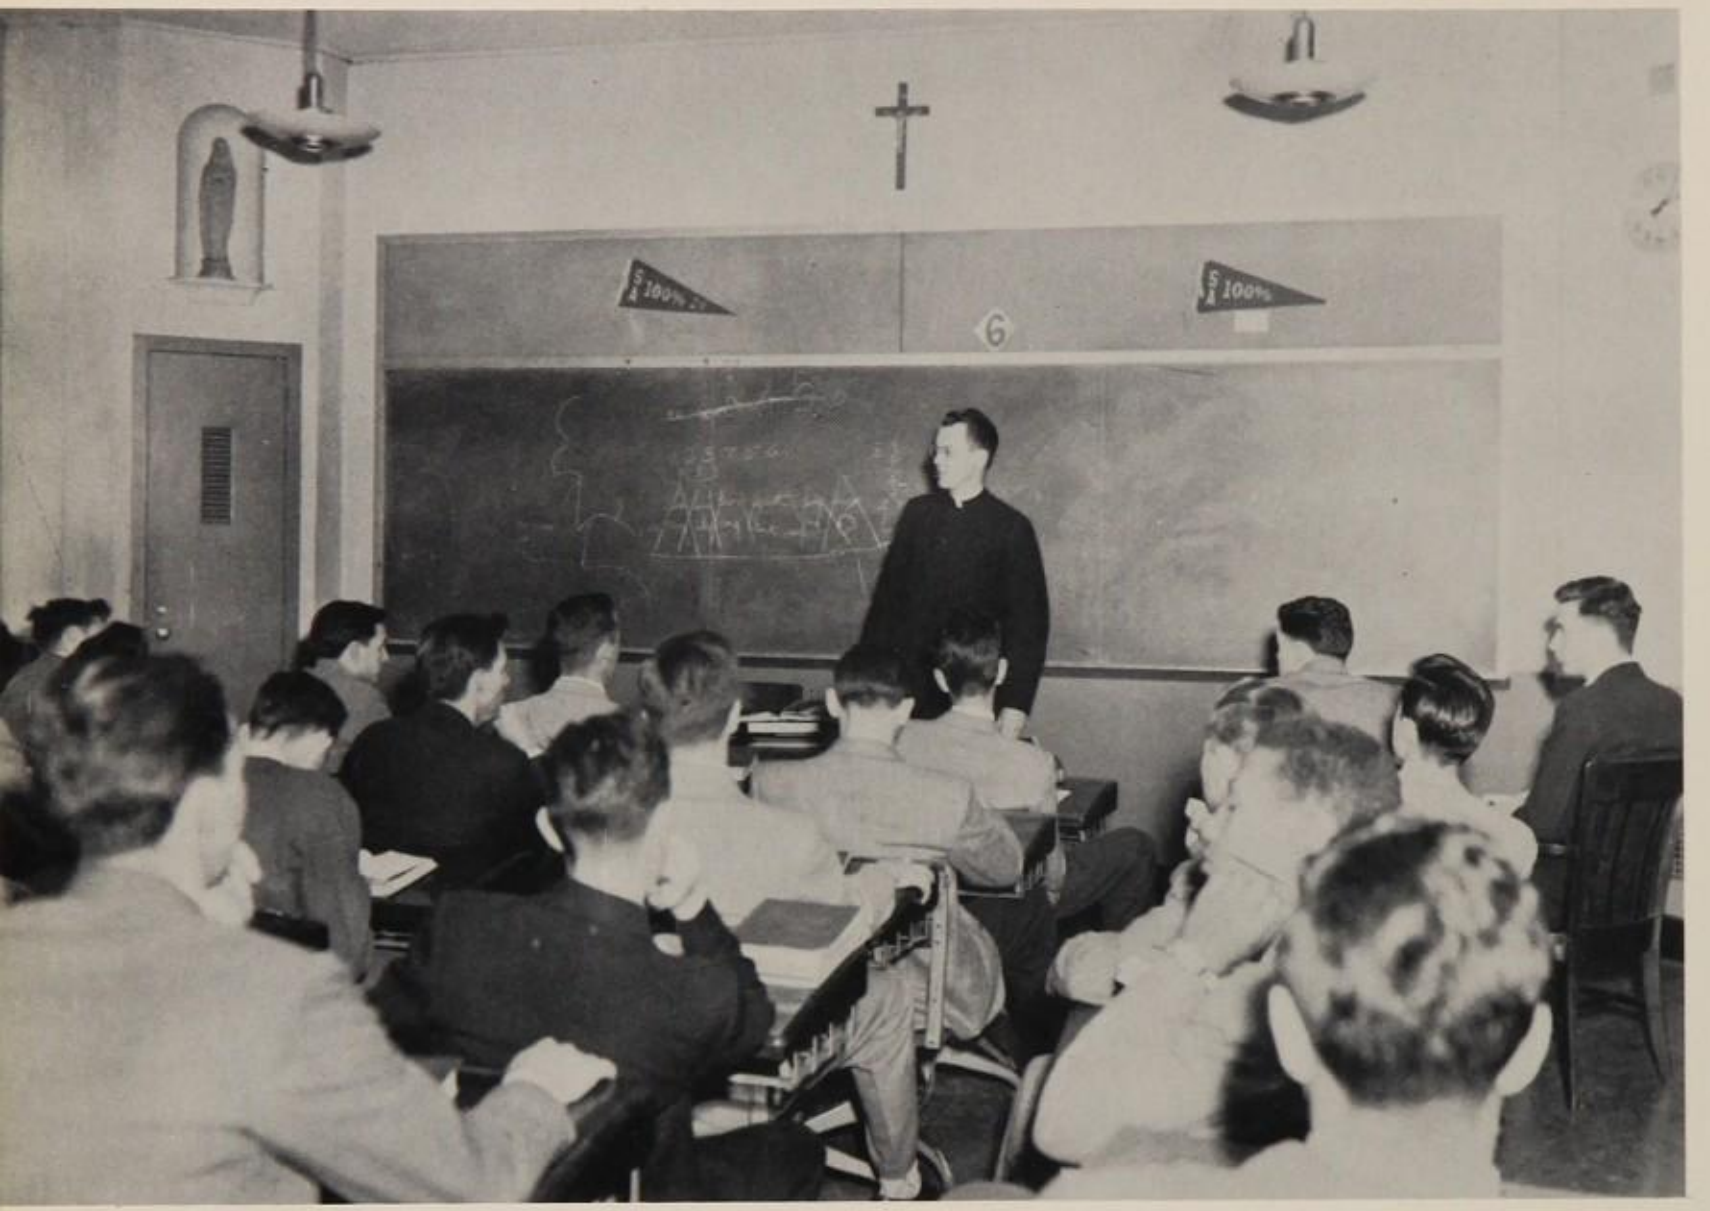
The Spirit of Study . . .



Religion

. . . is the most important subject in the curriculum of the Hayes man because by living the fundamental Christian truths he becomes the Catholic gentleman the Church seeks to produce by her educational program.

Literature

. . . opens up new vistas of culture to the Hayes man by introducing him to the classics.

. . . is one of the Facets

Social Studies

In four years the Hayes man studies Civics, World History, American History, Economics, Problems of American Democracy and Church History.

Language

. . . acquaints the student with the languages and customs of other lands and other people. Latin, French, German, Italian and Spanish are included in the curriculum.

Science

. . . unravels the mysteries of the physical elements of the universe. Available to Hayes men are General Science, Biology, Physics, Chemistry and Radio courses.

. . . of the Sparkling

Mathematics

. . . sharpens the intellect with its precise calculations. Algebra, Intermediate Algebra, Plane and Solid Geometry, Advanced Algebra and Trigonometry train Hayes men in exactness.

Practical Arts

. . . include Mechanical and Engineering Drawing and prepare students for further courses in drafting and engineering.

Business

. . . prepares those students who are seeking a career in the commercial field. Typing, Shorthand, Office Practice, Business Law, Business Arithmetic and Bookkeeping are the courses offered.

. . . Spirit of Hayes

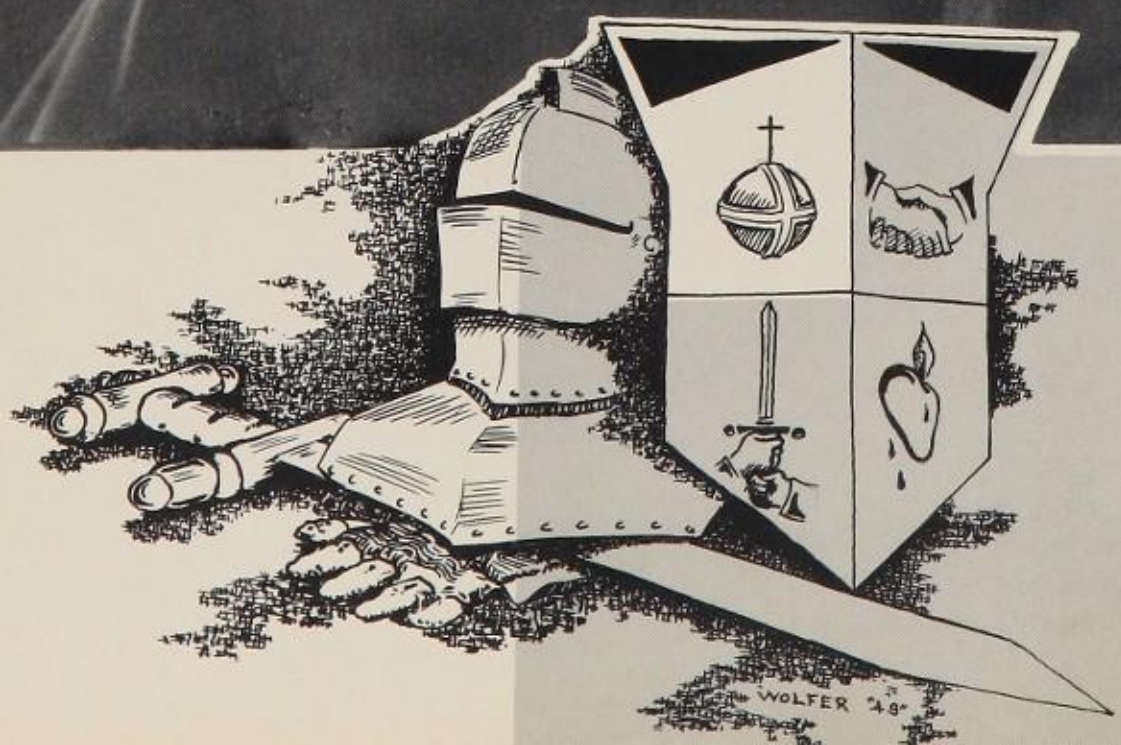
Music

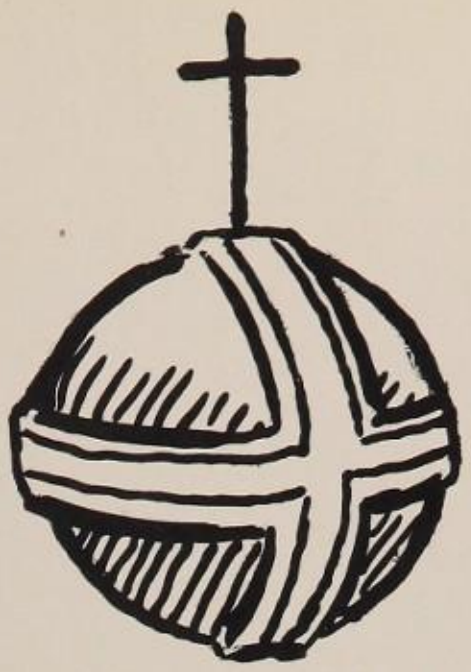
Hayes, which offers excellent courses in Music, is one of the few schools that grants Regents credits in the subject. History of Music, Choral, Advanced and Beginners' Band and Symphony Orchestra make up the Music curriculum.

Art

. . . includes courses in the History of Art and Commercial Design.

Leadership





The world is always in need of leaders. Today, perhaps more than at any other time in history, the world needs Christian leaders who will live and, by their lives, teach the principles of the Prince of Peace. Only the ways of God can lead us out of the mire of confusion and uncertainty into which we have been cast. At Hayes we have absorbed this spirit of leadership from our faculty, men whose lives are unselfishly dedicated to the education of youth. They have taught us how to live, how to govern ourselves so that we may be able to govern others. From them we have learned the teachings of Christ which, if men lived them, would erase from the world all greed, all strife, all hatred, all war. The plan has been given us; it is left to us to execute it. We shall be the leaders of tomorrow. With God's grace, we shall be the leaders our faculty have striven to make us.

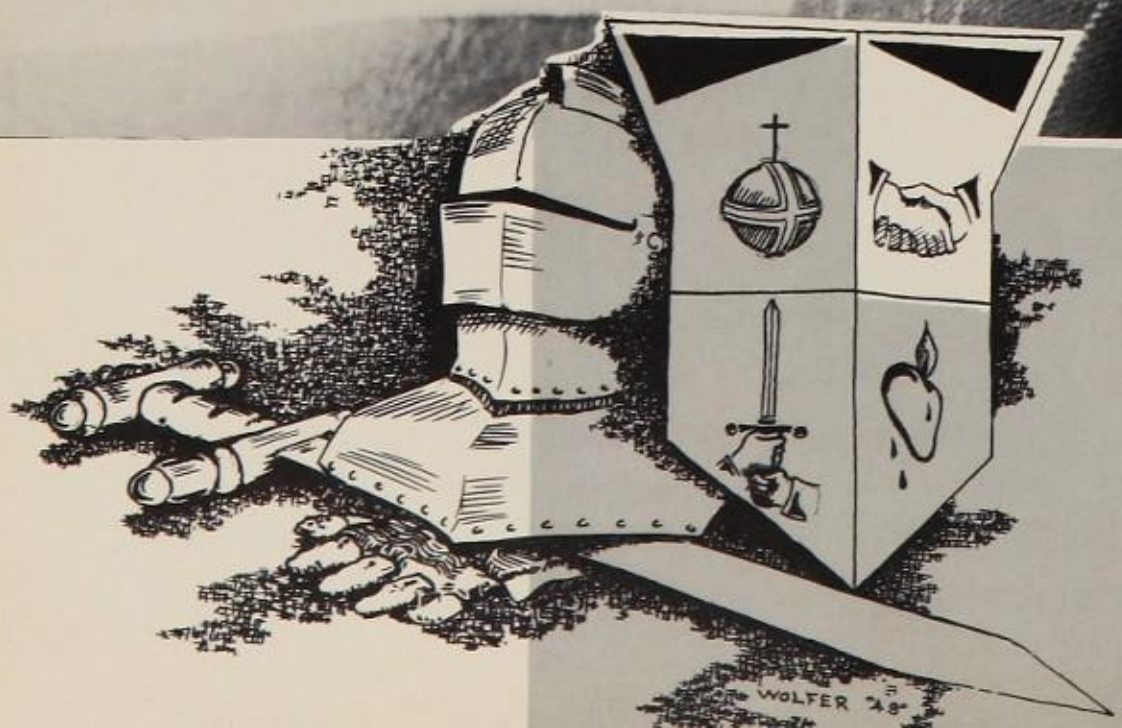
Companionship



High school is more than the acquisition of knowledge, more than daily recitations and examinations. It is a life to be lived and shared with others. The friendships made in school, we are told, are continued throughout a lifetime. The Spirit of Hayes fostered among us that companionship which is such an important part of school life. With our classmates we have shared disappointments and joys, thrilled with pride at victories and felt glum at defeats. At games and boatrides, at plays and dances we have enjoyed that side of school life that books can never supply. With the faculty we have found that help and understanding that youths often seek in older and wiser men. We shall miss the companionship of Hayes, but the memory of it will help us to lead better lives.

Skating Parties

Among the most popular extra-curricular events on the calendar of the school year are the skating parties held at the Fordham Skating Palace. Over a thousand Hayes men and their guests romp and frolic in an evening of pleasure three times annually. Father Guido, moderator of the Skating Club, is to be complimented for the success of these parties.

It takes years of practice to skate like this.

The refreshment counter is always a popular place during intermission.

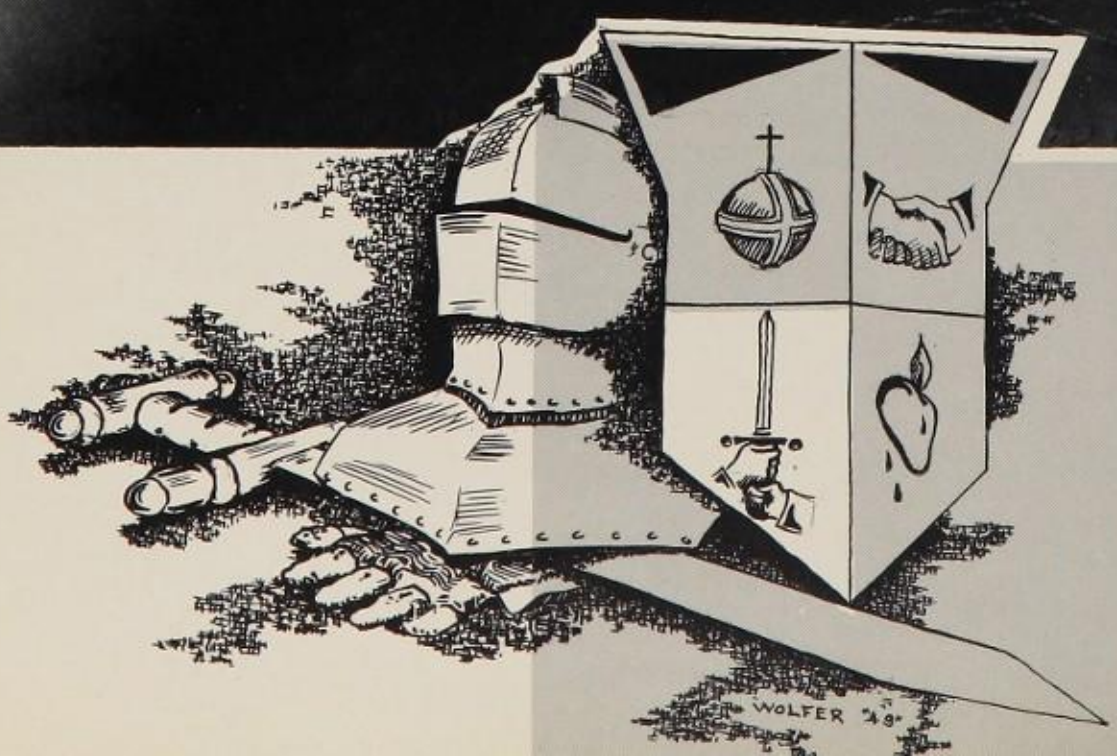
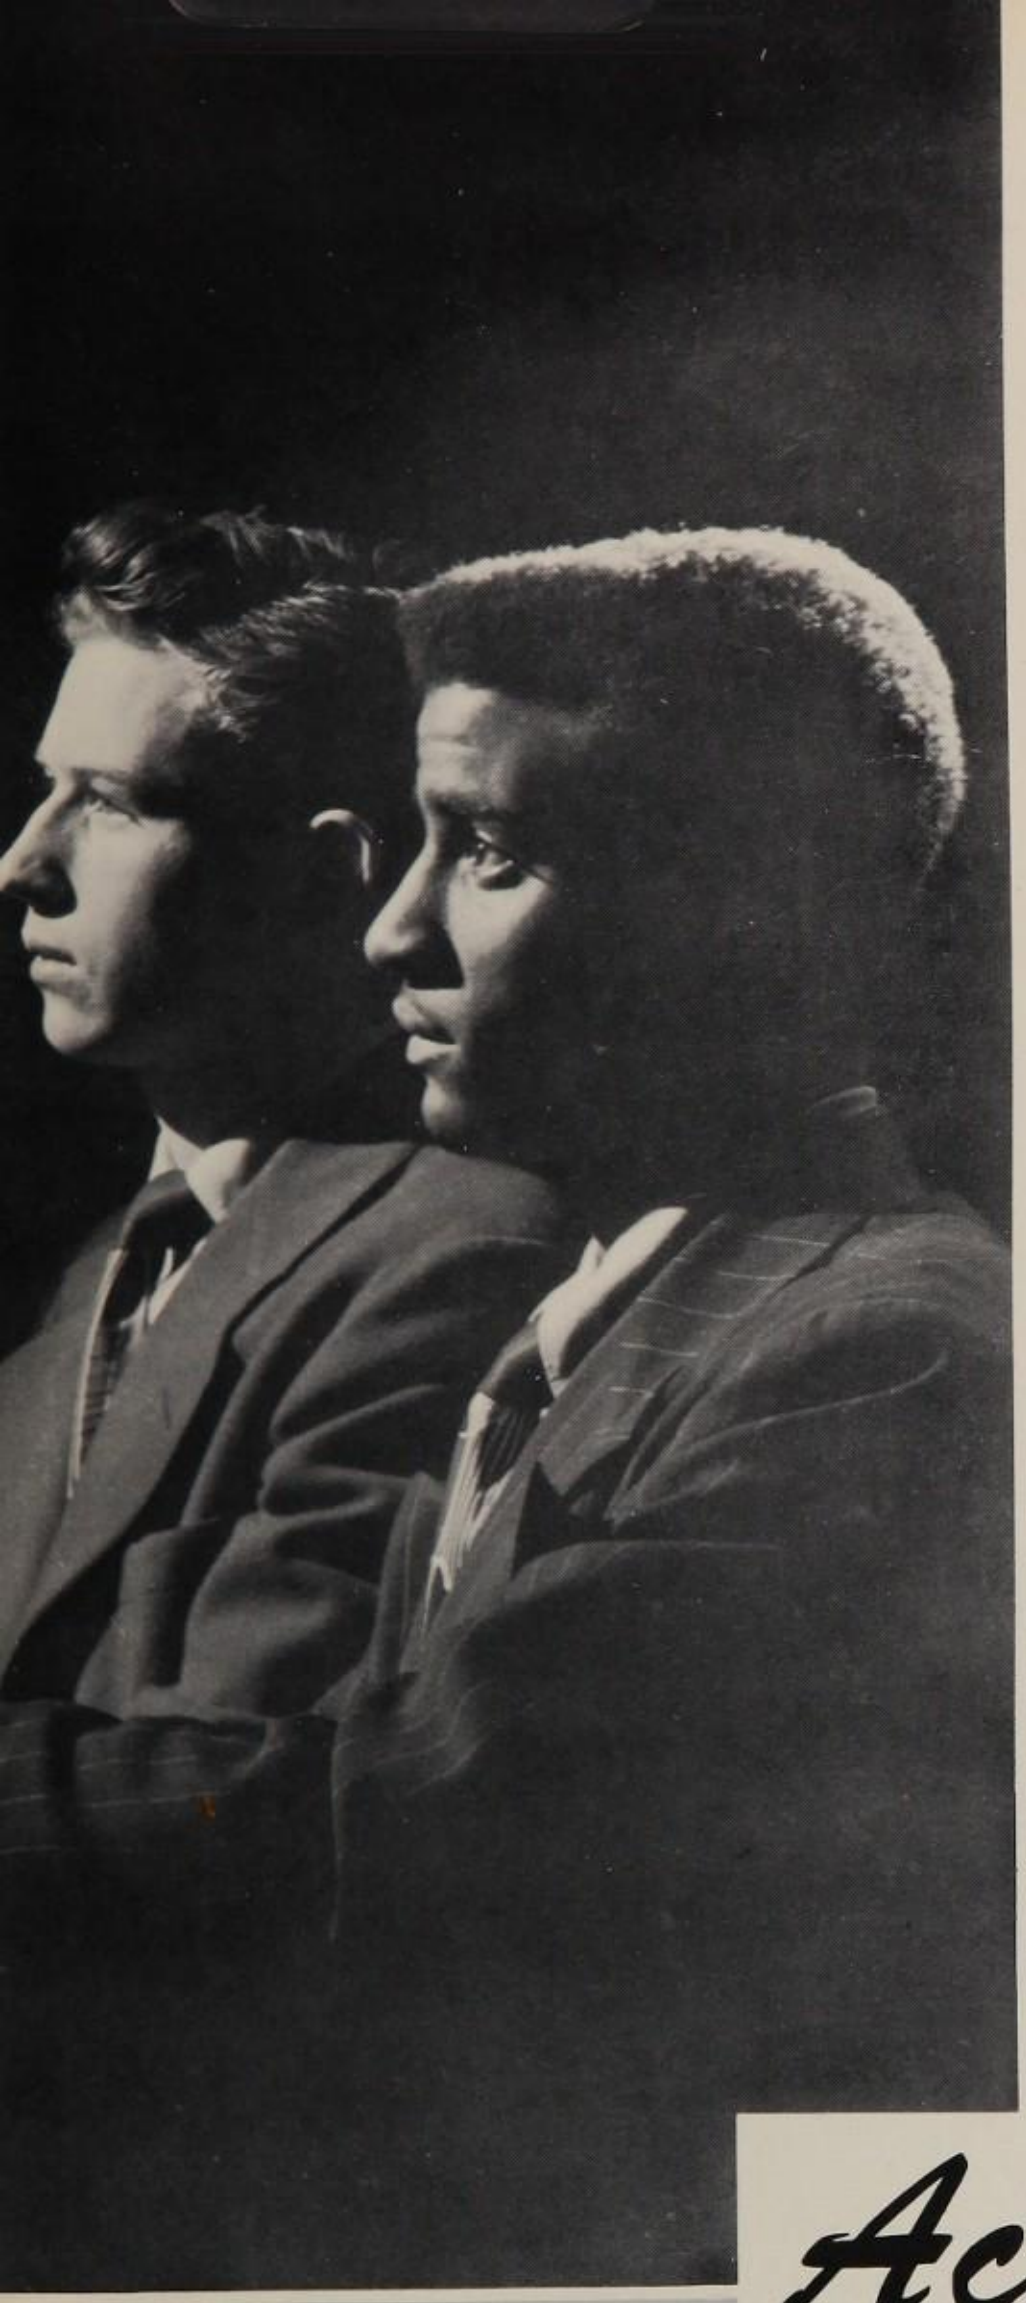
Loyalty





Loyalty is the foundation of all school spirit because it is loyalty to Alma Mater that prompts students to engage in the activities that make a school more than a combination of books and desks and students. At Hayes there are numerous extra-curricular activities which satisfy a diversity of desires and interests and make Hayes the outstanding school it is. The Symposium, sponsored by the K. B. S. and the C. S. M. C.; the Soirée Musicale, offered by the musical organization; the Serata Italiana, given by the Italian Club; the plays presented by the Patricians; Science Night, arranged by the science clubs; and all the other activities of the year receive the loyal support of Hayes men and enhance the reputation of Hayes because of the excellence of their performances.

K. B. S. Prefects

One of the most active groups at Hayes is the K. B. S. The members of this society, the Knights as they are popularly called, embrace almost the entire student body. They pledge themselves on their word of honor to receive Holy Communion once a week and to do all in their power to spread devotion to the Blessed Sacrament. There are no meetings for the majority of K. B. S. members. Theirs is an individual service which they render to Christ in His war against the forces of evil. Meetings are held only for the class prefects who direct the activities for their classes.

The K. B. S. sponsors such activities as the serving of Mass and Benediction, the monthly Holy Hour in which the whole school participates and prays especially for the Alumni, the Guard of Honor on Holy Thursday, the Stations of the Cross in Lent and the daily Dialogue Mass which a different class attends each day in the chapel. Together with the Catholic Students' Mission Crusade, the K. B. S. presents an annual symposium on a timely topic at which they play host to the other Catholic high schools of the city.

Knights of the Blessed Sacrament

On the First Friday of every month the K. B. S. sponsors a Holy Hour in which the entire student body takes part, praying for the intention of the Holy Father and the alumni of Hayes.

Father Sexton addresses the new members of the K. B. S. at their annual reception into the society, impressing them with the responsibility of upholding Christ in the modern world.

Catholic Students' Mission Crusade

The purpose of the Mission Crusade is to interest high school students in the missionary activity of the Church so that they may further it through prayer and monetary offerings. This year the Hayes Crusaders exhibited their usual enthusiasm for the cause of Christ and contributed almost five thousand dollars to the Society for the Propagation of the Faith. Included in this amount was six hundred and sixty-one dollars which was collected during the first three days of Holy Week for the Bishops' War Relief Fund. Father Jeremiah Sullivan, moderator of the Mission Crusade, was deeply impressed with the wonderful spirit of sacrifice and cooperation displayed by the student body.

Father Sullivan received the weekly offerings for the missions made by the class representatives.

Biology Club

John Kruger, John Gillen, Joseph Conway, Robert Connolly, Brother Leroy, James O'Connor, Robert Morris, Anthony Wojtaszck, Maurice Casey.

Under the supervision of Brother Leroy, head of the Biology department, the Biology Club enables interested students to supplement their curricular work in the subject with additional experiments. By going on field trips to Cold Spring Harbor and the State Fish Hatcheries, these students are able to make a more extensive study of animal and vegetable life than the classroom pursuit of the subject permits. Interest is keen at weekly meetings at which informative movies are shown.

Robert Bowman, Ronald Pauket, John Moran, Hobert Micklebauer, John McHugh, Vincent Counzman, José Fernandez, Guy Demilis.

Brother Wright supervises the activity of some of the members of the Chemistry Club, including Joseph Colletti, Frank Pace, Clarence Smallwood, and Joseph Castellano.

Chemistry Club

The Chemistry Club, through its affiliation with the Science Clubs of America and the Science Service in Washington, offers its members up-to-date information on the important happenings in science and chances for further advancement in the subject. Interest is centered on individual projects which help to develop particular talents. Father Green, head of the Chemistry department, and Brother Wright, who supervise this activity, are constantly encouraging the more talented members to submit projects in the frequent contests sponsored by various scientific companies.

Father Green, head of the Chemistry department, explains the intricacies of a chemical balance to some interested members of the club.

Physics Club

The Physics Club strives to supplement the regular classroom work in the subject. The experimental laboratory and the movies which are shown at the weekly meetings stimulate the interest and the activity of the members. Brother Cormac, the moderator, is constantly presenting the latest trends in scientific progress so that the members, like true scientists, may keep apace with the times.

Radio Club

Popularly called the Radio Club, the Cardinal Hayes Amateur Operators' Society is open to all students who are interested in radio. However, they must be recommended by their science teachers. Under the supervision of Brother Lucas, head of the Physics department, the members strive to obtain an operator's license. Their interest is keen and Brother Lucas, fanning it with his helpful guidance, teaches them a great deal.

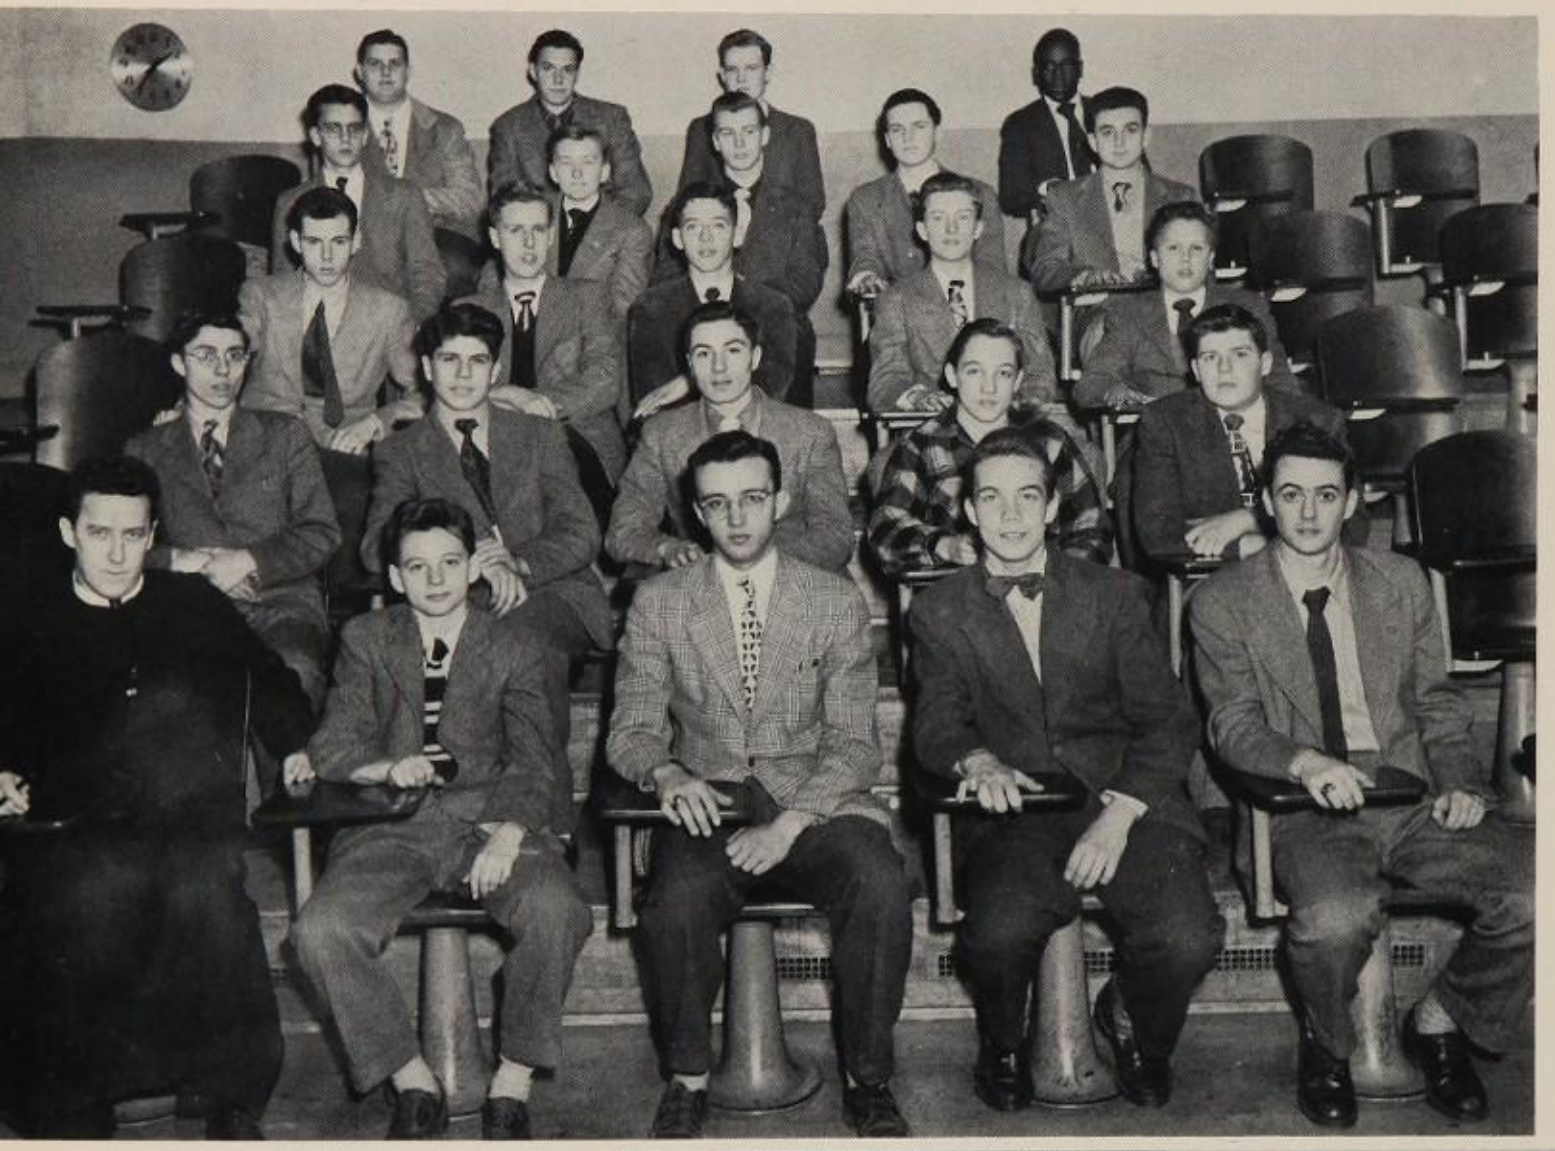
Spanish Club

Under the direction of Brother Alois the Spanish Club seeks to awaken in its members an interest in things of Spain and South America. Its meetings, which feature movies and guest speakers, acquaint the members with the culture of our Latin-American neighbors and encourage participation in Pan-American Day and Spanish holidays.



FRONT ROW: Brother Alois, William Cronin, Thomas Bracken, Jack O'Neill, Timothy O'Leary. SECOND ROW: Joseph Breslin, Frank Aguilar, John Bartholomae, James Cunningham, Patrick Corr. BACK ROW: Robert Schneider, Anthony Fabijante, Peter Carolan, Charles Gibson.

Joseph Harrington, Harold Murphy, Robert Speraccio, Daniel Desmond, Thomas Hourigan, Daniel Gallagher, Father McCaffrey.

Classical Club

Some of our Latin students are interested in learning more of ancient culture and customs than the classroom study of the subject permits. For them the Classical Club, moderated by Father McCaffrey, is an important activity. The knowledge they accumulated will be of cultural and practical benefit to them in the future.

Italian Club

The Italian Club, open to all students interested in the culture and background of Italy, is one of the largest and most active clubs at Hayes. Guest speakers and movies highlight their meetings and the Opera Group arranges parties to hear the various opera companies that visit New York. Their popular "Serata Italiana" culminates the year's activities.

FOURTH ROW: Marino DeMeo, Thomas Lammers, Charles Miller, Frank Van Lierde, Francis Maher, Gerard Hein, Walter Nubrzydowski, Edward Walsh.

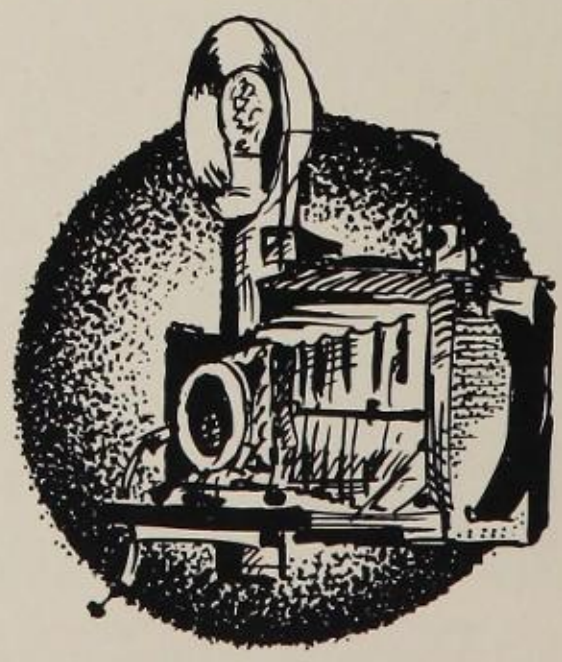
Honor Club

Membership in the Honor Club is obtained by attaining a rating of ninety percent in all subjects; permanent membership requires a student to get this rating five times in one year. Father Kenrick, the moderator, encourages the senior members to try for scholarships and Hayes every year wins a good number of them.

FRONT ROW: Anthony DiMauro, Timothy O'Sullivan, Thomas Meade, Joseph Maierhofer, Victor Miller, Cefton Bullard. SECOND ROW: Peter Carolan, Patrick Smyth, John Fleming, John White, Robert Dinkel, Robert Fischer. THIRD ROW: Morris Lounds, Harold Cronin, James Byrne, Owen Kilgannon, Richard Ready, Dante Tedaldi, George Seeward. STANDING: Brother John Ignatius, John Herdt.

Camera Club

The Camera Club, under the direction of Brother John Ignatius, offers an excellent opportunity to Hayes men who wish to learn the art or to develop any technique they may have. A dark room with all the equipment necessary for developing and printing is at their disposal. The ultimate objective of each member is to become expert enough to take pictures for the CHALLENGER or the CALENDAR.



FRONT ROW: Anthony Castellano, Roland Smith, Ramon Rosario, Robert Verrando. BACK ROW: Brother John Ignatius, Clarence Smallwood.

Skating Club

Always increasing in popularity, the Skating Club again enjoyed a successful season. The three parties which were held at the Fordham Skating Palace for Hayes men and their guests only were attended by record crowds. Not only the students but also many of the faculty enjoy these evenings of skating. In the senior informal section are pictures of the parties.

Usher Society

Father Doherty trained a set of smart-looking ushers to serve at various school functions throughout the year. Their gentlemanly dignity lends an air of distinction to the annual play, the soiree musicale, the public debate and the Serata Italiana. Their efforts are often unsung by the student body and so the CALENDAR here wishes to salute them for their splendid service.

Journal Committee

Much of the success of the Soiree Musical depends on the souvenir journal which is prepared for it. The members of the committee who prepare it, under the direction of Father Blust, worked long hours in getting ads, arranging copy and corresponding with contributors. There is no glamor to this work but it is a necessary part of school life and they did it well.

James O'Donnell, Arthur Polcini, Father Blust, Samuel Ceccarelli, Bernard Malara, Michael Grieco, John Murphy, Lincoln Heck, George Sprecace.

Dance Committee

Father Matthew and Father Corrigan combined energies to direct the Dance Commitee this year and the success of the many Hayes dances is a tribute to the hard work done by them and the members of the committee. The highlight of the year is the Senior Prom which is to be held this year on May 26th at the Hotel Statler. In preparation for that affair the Dance Committee has arranged instruction in ballroom dancing for those not skilled in the art.

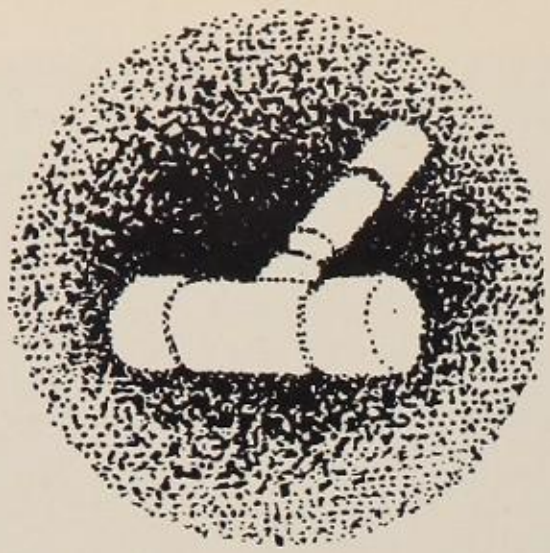
John D'Ambrosio rehearses a speech before Father Sexton and other club members. SITTING: Vincent Capowski, Patrick Curran, Edward Walsh, George Cannon, James Tomonto. STANDING: Edward Harnby.

Public Speaking

The purpose of the Public Speaking Club, under the direction of Father Sexton, is to develop and improve the speaking ability of the students, the importance of which cannot be overemphasized. During the year Hayes was represented in contests sponsored by the Journal-American, the American Legion and the Ancient Order of Hibernians, and although our speakers took no "firsts," they credited themselves and Hayes. As the CALENDAR goes to press, the club is looking forward to the Holy Name Society Contest in which it is hoped that Edward Walsh will be victorious.



Vincent Capowski was chairman of the annual public debate.

Debating Makes Future Leaders

This year again the Hayes Debating Society, under the supervision of Father Grace, played a prominent part in the program of the Catholic Forensic League. In an Interscholastic Debate Tournament sponsored by the League, Hayes acted as host to sixteen competing high schools and placed third with Anthony Andreacchi, Vincent Brennan, John D'Ambrosio and Edward Walsh winning four out of six debates. In the course of the year they gained twenty-nine victories against sixteen losses in their debates with their annual opponents. The specific results are recorded on the following page.

Hayes speakers were also heard at various civic functions. In city-wide competition Vincent Capowski and Edward Walsh won two of the coveted chairmanships in the New York Daily Mirror Forum held in December. Hayes was the only school to capture two of them. Anthony Andreacchi was one of two students from the Bronx and Manhattan to speak at the forum sponsored by St. John's University on the Atomic Era. He also appeared on the New York Times Youth Broadcast on April 23rd, discussing the topic, "Vital Issues in the News." In the Dramatic Declamation Contest of the Catholic Forensic League Vincent Brennan took fourth place, competing with sixteen other schools. The climax of the year's activities came on April 26th when the team of Anthony Andreacchi and Vincent Brennan defeated Xavier High School in the annual public debate in Brady Auditorium.

Poster Club

Perhaps the most unsung activity of the school is the Poster Club. Under the direction of Father Totten its members work long, hard hours, preparing announcements of every Hayes activity. The success of plays, dances, games, skating parties and other affairs is due in no small way to the splendid efforts of these tireless workers who bring before the student body colorful and eye-catching advertisements of future events. "If you want it known, tell us," is their motto.

Mobile Unit

A popular branch of the Hayes Dramatic Society is the Mobile Unit which brings the joy of its talent to many neglected people outside the range of school life. Visiting orphanages, homes for the aged and veterans' hospitals, they have not only brightened the lives of many shut-ins but have also found a great deal of joy themselves. FRONT ROW: Charles Michel, James Ryan, Thomas Ryan, Joseph Cividanes, Rocco Angelo, James DeYoung, Donald Brady, John Qualter, John Ryan, Father Dunn. BACK ROW: Donald Burke, Rosario Contino, Michael Calabro, Joseph Gallagher, Gerald Garrigan, Donald Driscoll, Robert Castellano, Julius Vigna. Seated at the piano is Andrew Koepfler, president.

Stagehands

Necessary for the effectiveness of any dramatic presentation are the stagehands who work quietly behind the scenes, reaping little reward or recognition. The Hayes stagehands paint backdrops, erect sets and do everything to make our plays successes. LEFT TO RIGHT: Robert Healy, James Fiorito, Richard Mooney, Philip MacMullan, Edward Baer, Thomas Madden, Arthur DiSalvo, Robert Brucato, Robert Smith, Thomas Bohan, John Herdt.

Patricians

The Hayes Dramatic Society, popularly known as the "Patricians," presented two hits this year, "The Bat," a mystery comedy, and "Time Swings Back," a revue. Both were well received and attested the hard work put in by the casts to make them the successes they were. Here the entire group poses for the CALENDAR. FRONT ROW: Gerard Seagriff, Thomas Carey, Edward Farrell, John Corcoran, Edward Dickson, Andrew Koepfler, Father Dunn, Donald Driscoll, James Tomonto, Frank Antetomaso, Gerald Delaney, William Burke. SECOND ROW: Joseph Meenan, Robert Verrando, Vincent Guglielmo, Joseph Carelli, Michael Krapp, Julius Vigna, Rocco Angelo, Salvatore Contino, Timothy O'Leary, Martin Healy, Philip Sica. BACK ROW: Francis Gaziano, Gerald Garrigan, Charles Smith, William Baile, Hobart Serino, John O'Neill, John Hickey, John Schramel, Robert Castellano, John Devlin, John Walsh, John McLaughlin.

Business Staff

Another group necessary for the success of any dramatic undertaking is the Business Staff which handles the sale of tickets and other financial arrangements. Here Father Dunn talks up the sale of tickets to Harold Cronin, Richard Johnston, Robert Brennan, Robert Capozzola, Thomas Arnone, Thomas Lammers, Thomas Browne, and Thomas Lavin.

In the "Beautiful Day for a Boatride" number all the gaiety and frolic of the annual outing to Rye is recalled by the singing and dancing ensembles.

"The Roaring Twenties" number panicked the audience, particularly the parents who were undoubtedly carried back to the days of the "flapper" and the "shiek."

John Qualter of 3C displays superb talent in tap-dancing in the number "Soft Shoes and 88 Keys."

Helen Criazzo was acclaimed for her fine rendition of "Freshman Blues."

"Time Swings Back"

This year the Dramatic Society of Hayes presented a production different from anything previously offered—a musical revue which was a howling success. Under the supervision of Father Dunn, moderator of the Patricians, the show was staged and directed by Joseph Hayes, who also wrote the words and music. Assisted by the girls of St. Barnabas High School, the players had a gay time rehearsing and those who saw the show enjoyed an evening of fun and pleasure.

Mary Murphy and the ensemble sing the haunting melody "How Long" which everyone was humming in the corridors for weeks after the show.

Everyone looks forward to the day the CHALLENGER is distributed. Here James Kirby of 4K receives copies for his class from Edward Cutolo.

Challenger

Variety has been the keyword of the CHALLENGER this year and the popular acceptance of each issue attests the wisdom of supplying diversified reading matter. Besides the coverage of current school news, the special features of the paper had us anticipating each copy. Under the direction of Father Loughman, faculty moderator, Editor John McNamee and his associates worked tirelessly every month to meet their publication deadline. At the Columbia Scholastic Press Convention this Spring their efforts were rewarded when the CHALLENGER was awarded a first-place rating in the annual school newspaper competition for maintaining high standards of journalism.

Editor-in-chief

. . . storehouse of memories

Hoping to maintain the high standards of year-book production set by staffs that preceded them, the members of the 1949 CALENDAR set to work early in this year. Under the direction of Father Delaney, faculty adviser, Harold Donohue, editor-in-chief, assigned the various tasks and directed the supervision of detailed work. The theme selected was "The Spirit of Hayes" because it vibrates in the life of every Hayes man and will help him recall the fond memories of years spent here.

There were worries and headaches as the months passed, but the fun we had in 224 lessened them. The effort expended in producing this edition of the CALENDAR was great. Our only hope is that the Class of '49 will treasure it in the years to come.

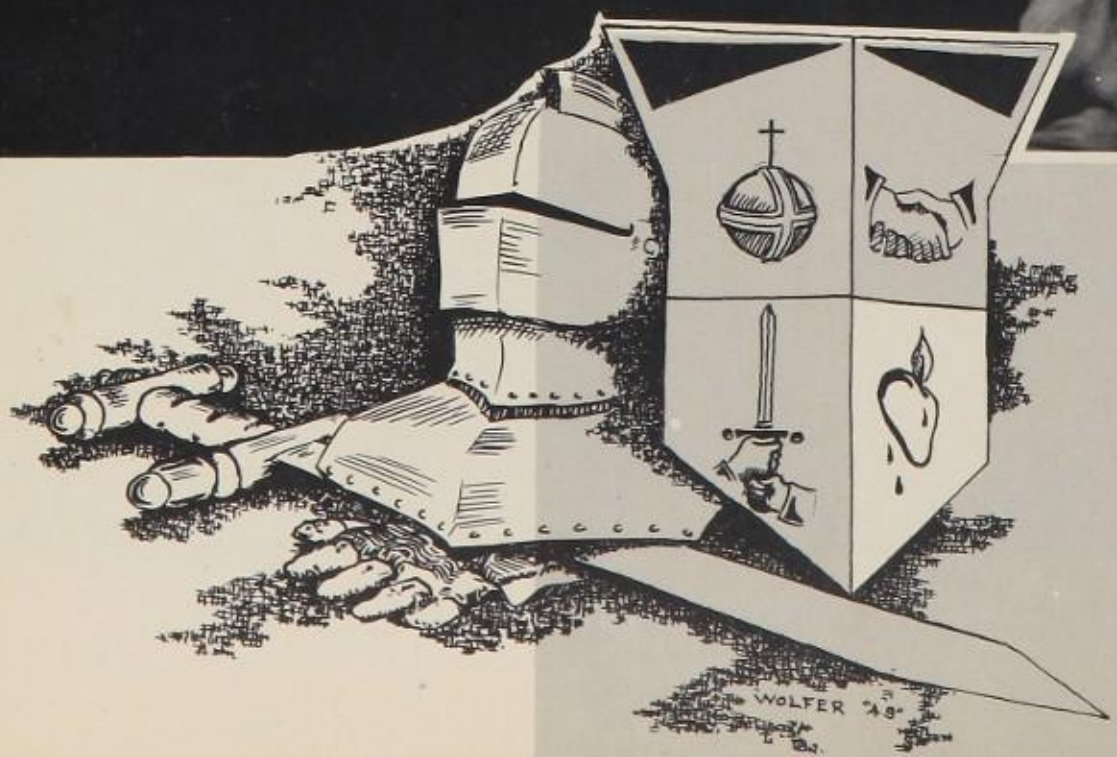
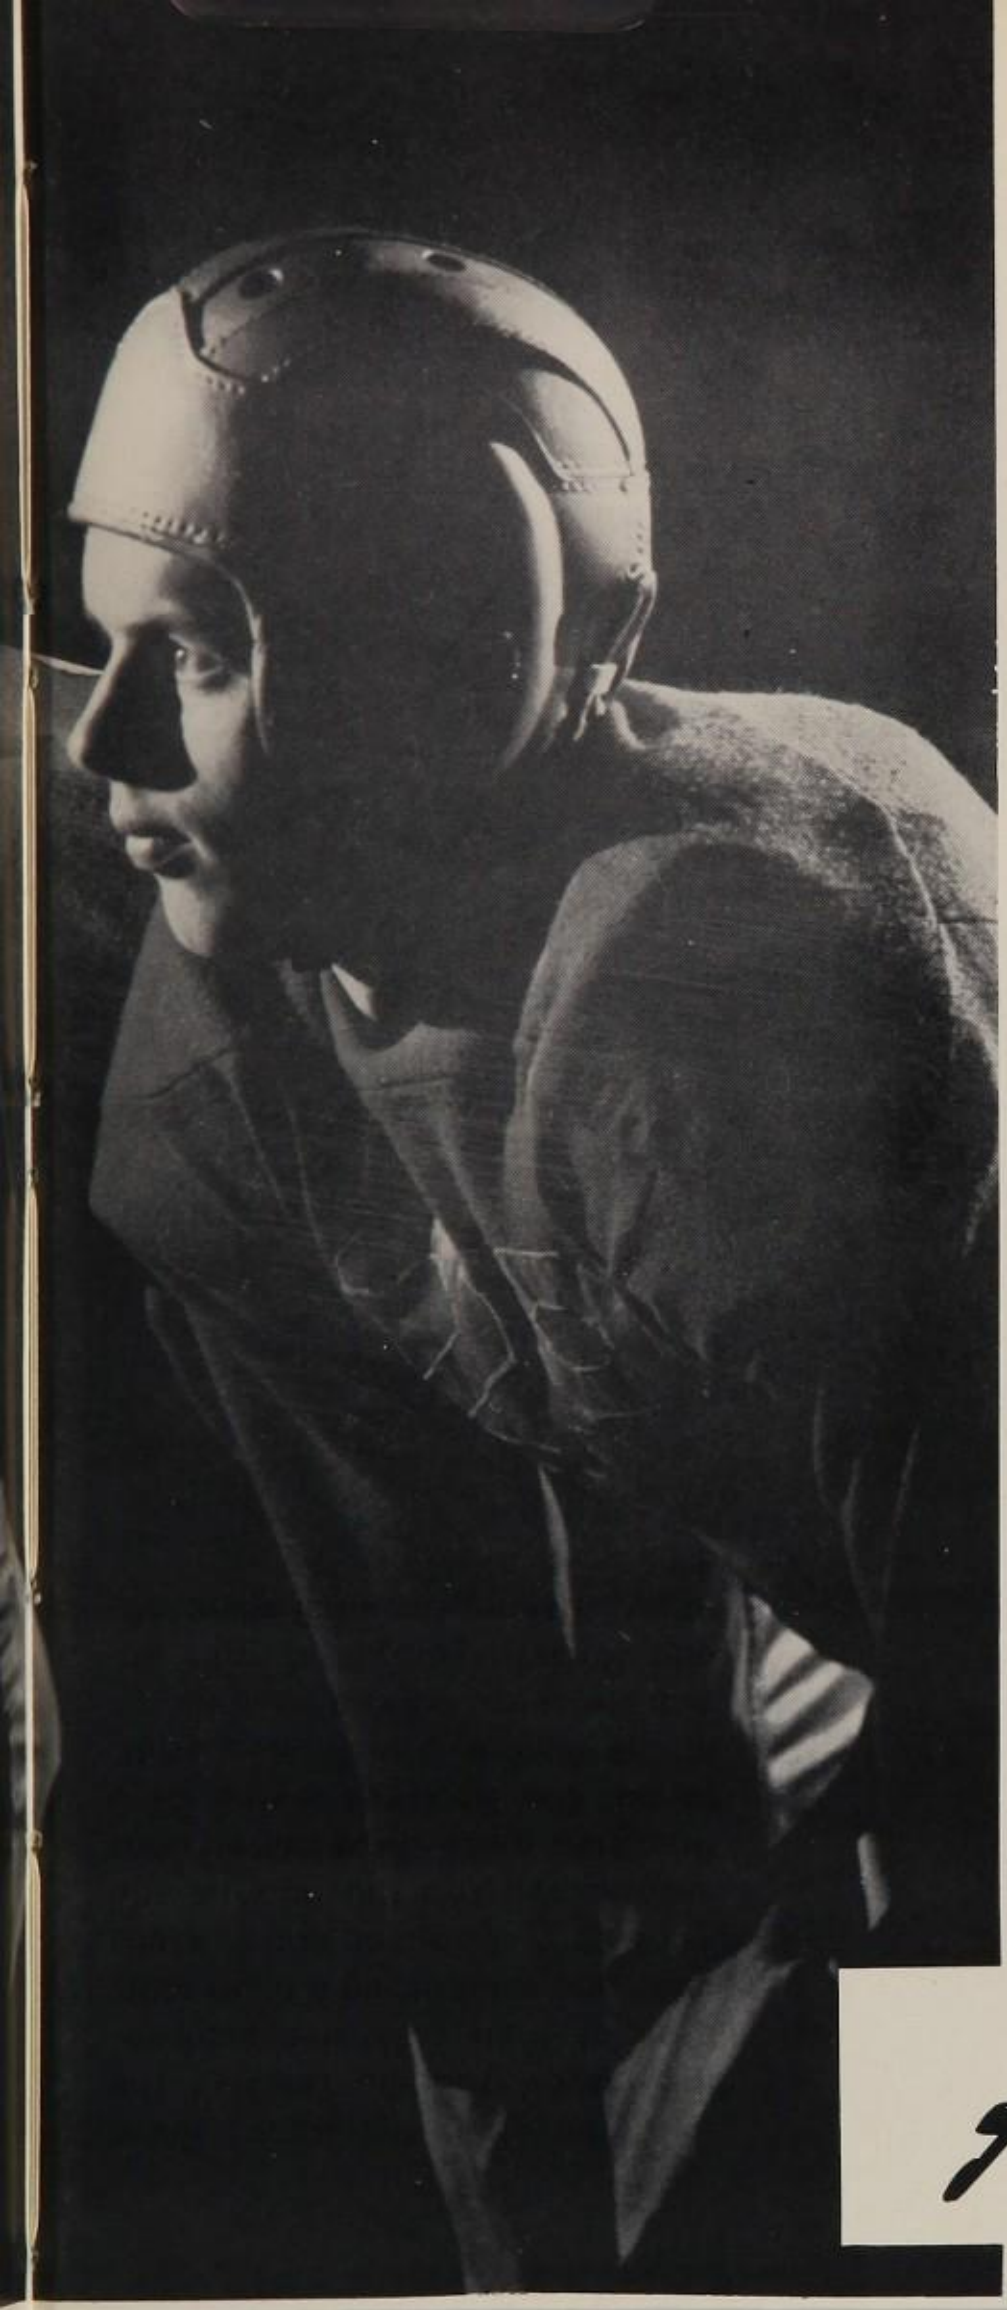
Courage





Courage is one of the virtues most admired in a man. The ability to stand strong in the face of opposition and to fight with every measure of his strength is what makes a man. Here at Hayes we have learned how to be courageous. On the gridiron and the basketball court and the diamond and the track we have never shown a sign of fear. Even when the odds seemed insurmountable we fought with a determination to do our best because it was for Hayes. And those who could not compete on school teams learned this virtue in intramural competition. Hayes men are men of courage. They have that moral stamina which makes a man always face an obstacle, never run away from it. That stamina is what will help the Hayes men of '49 face the obstacles of life as they step forth to meet them.

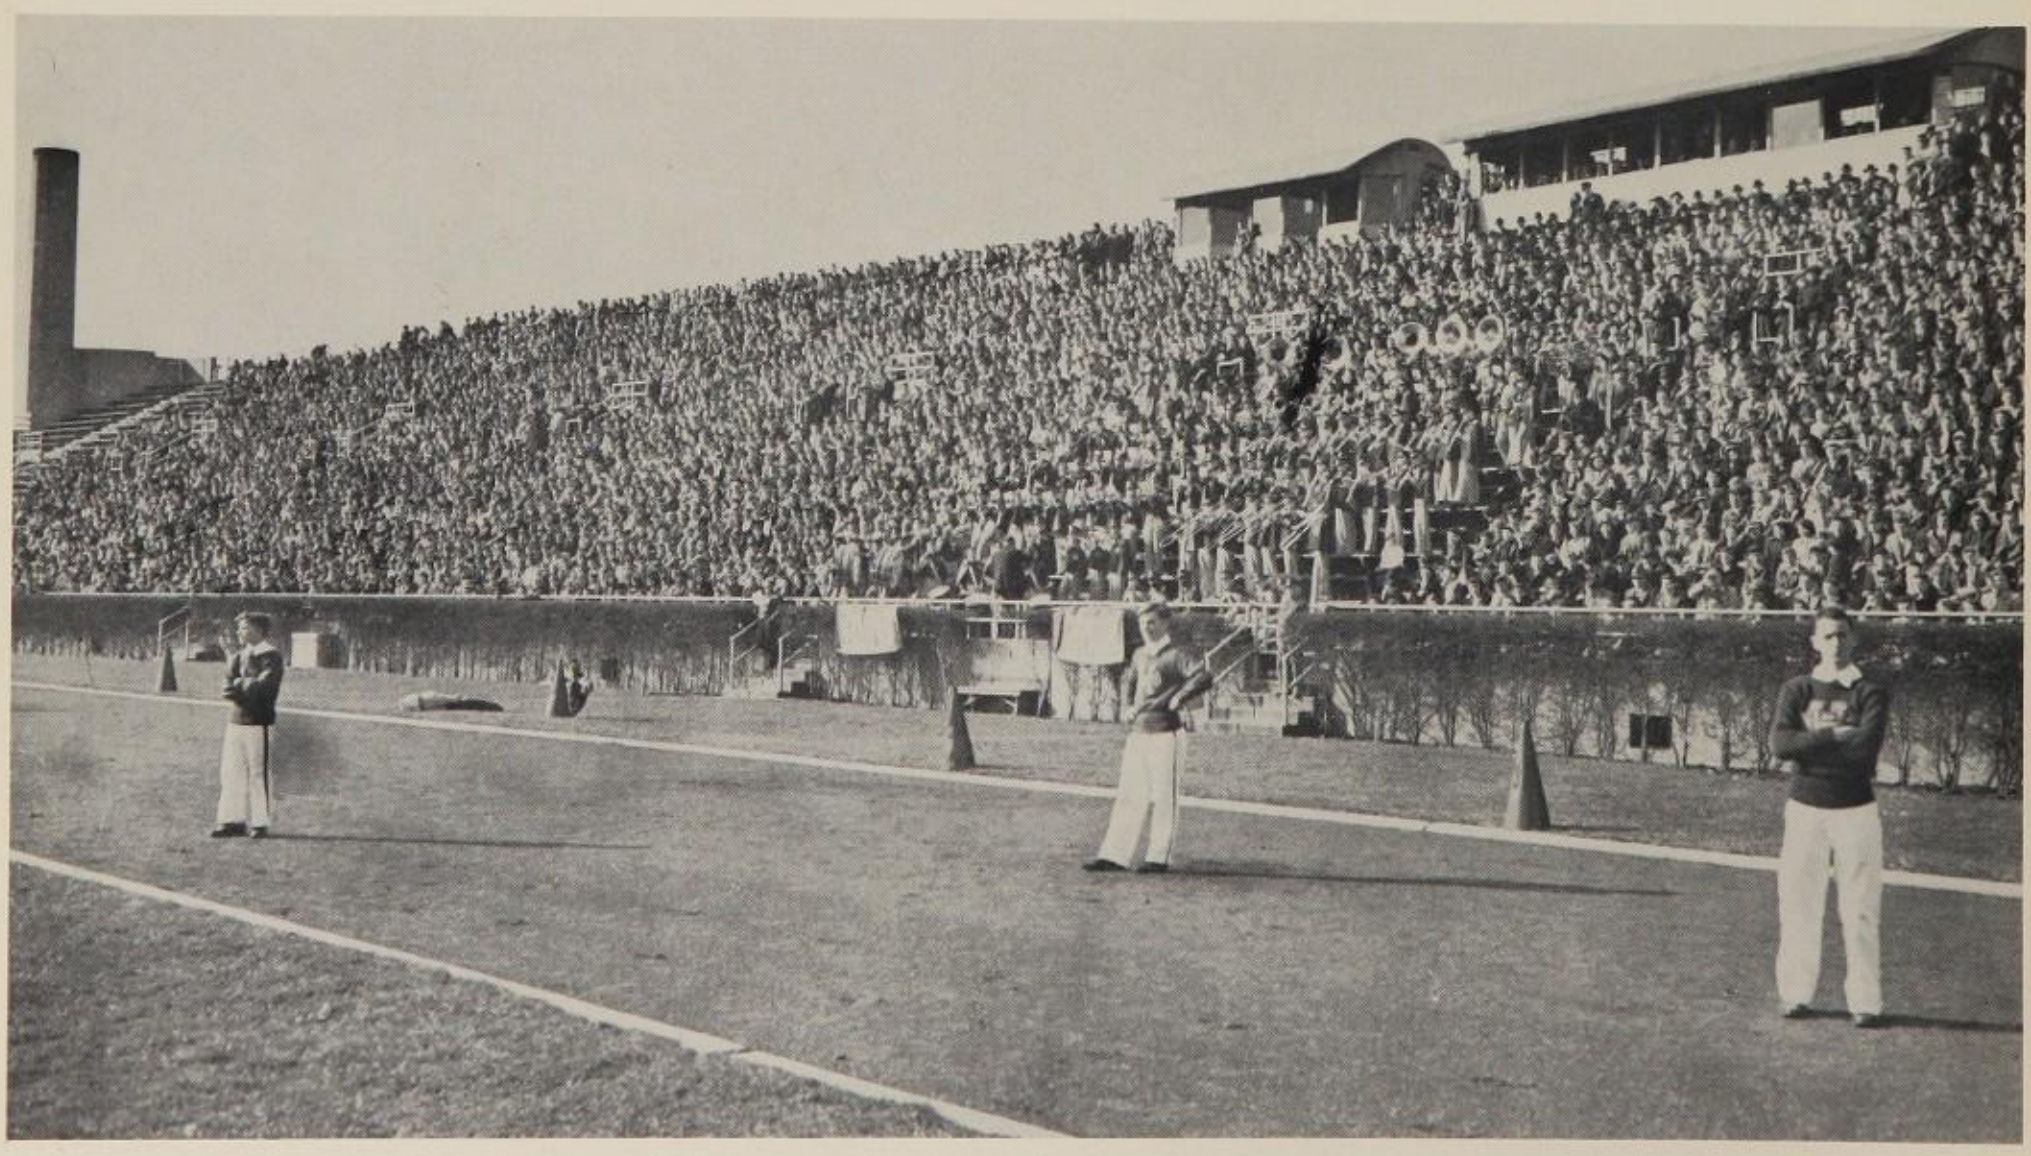
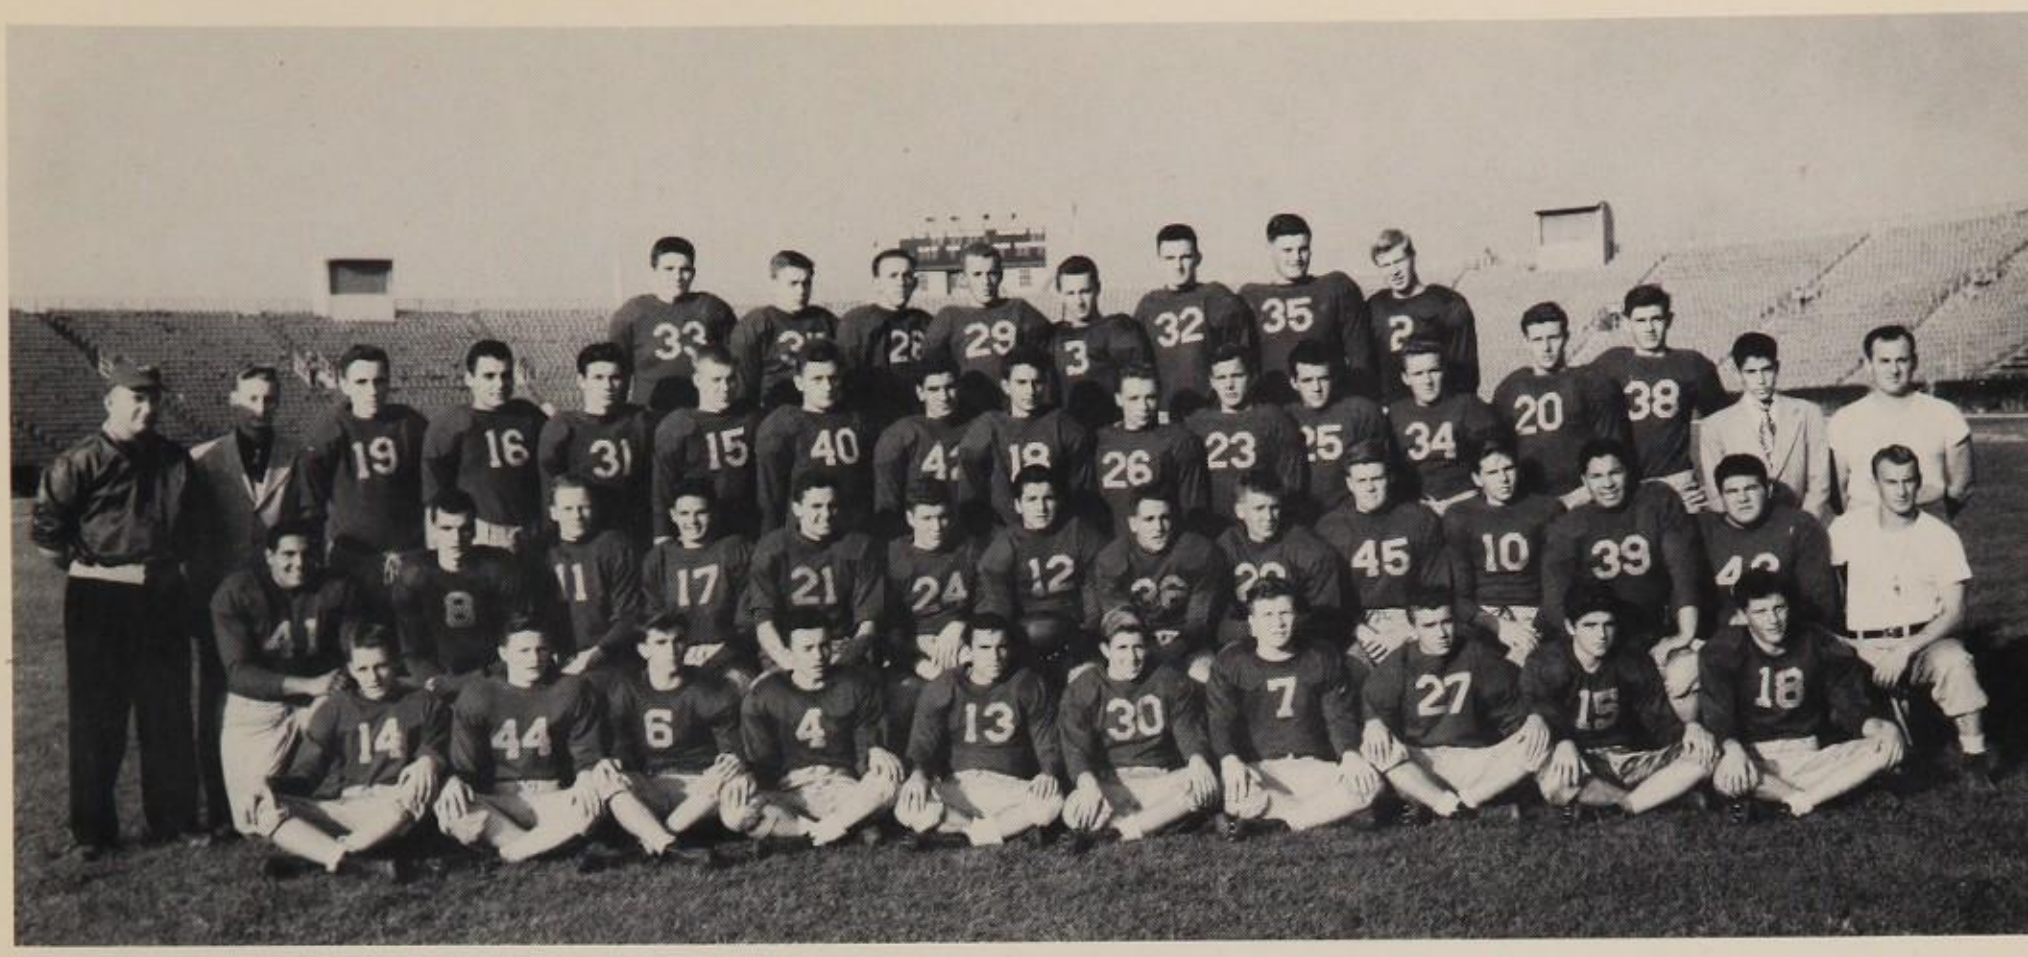
Cheerleaders

The cheers that rent the sky over Randall's Island Stadium every Sunday last fall were led by this peppy and enthusiastic squad. Too often they are passed over without praise, and so the CALENDAR salutes them and Father Pavis for the spirit they stimulated. FRONT ROW: Michael Giacomontonio. SECOND ROW: James Smith, Sidney McGrath, Paul Vella. BACK ROW: Father Pavis, John Williams, Gerard Ryan, Raymond Bernard, Francis Finnerty.



Thousands of loyal Hayes rooters packed the Hayes side of Randall's Island Stadium Sunday after Sunday last Fall to cheer the varsity on to the best season in football that the school has had yet.



FRONT ROW: John Frank, John Barry, John McLoughlin, Bernard Pecoraro, Louis Frederico, Richard Clark, Joseph Harrington, James Arles, Richard McCarville, Malachy Stafford. The Spirit of Hayes on the Gridiron

The moderator and the coaches of the football team discuss this year's prospects at one of the practice sessions. Mr. Krywycki, Father Peters, and Mr. Walling.

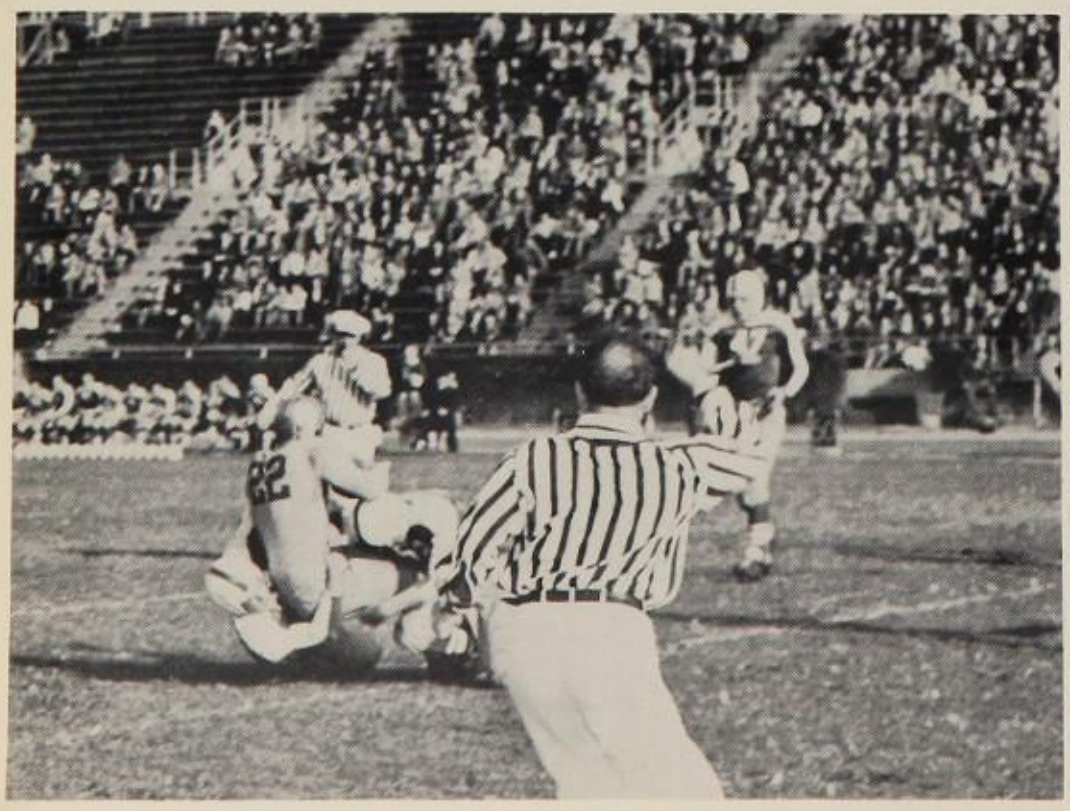
Mike McKeown races around end for one of Hayes' touchdowns against Brooklyn Prep.

Hayes 12 — Brooklyn Prep 19

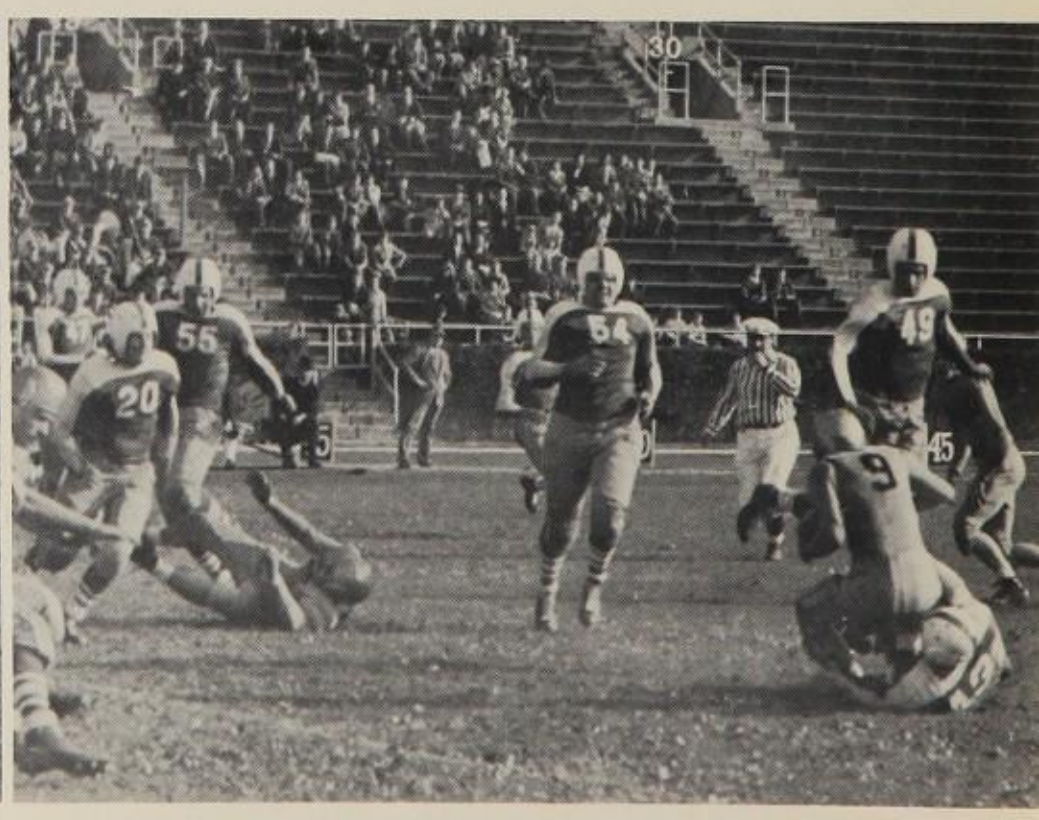
An eager, loyal crowd traveled to Brooklyn for the opening game of the season but was disappointed at the outcome. The teams were evenly matched, but too many fumbles cost the Cardinals the game. A swift pass from Gagliano to Wright and an end-run by McKeown resulted in the two Hayes tallies. The fans were not disheartened, though, and looked forward to better things.

Hayes 6 — St. John's 0

A spirited team, determined to make up for the previous week's defeat, took to the field against an old rival. Cacciopoli's plunging through right guard was the backbone of the Hayes offensive. The Prep took to the air in the second half but failed to click; Gagliano interfered with four of their passes. A score early in the second half won the game for the Cardinals.



John Gaidzis is downed by two St. John's runners.



Fred Rossetti is tackled after gaining a short distance for Hayes.

Mike McKeown is assisted from the field after an injury in the St. Francis Game.

Coach Krywycki gives the players last-minute instructions in the locker room.

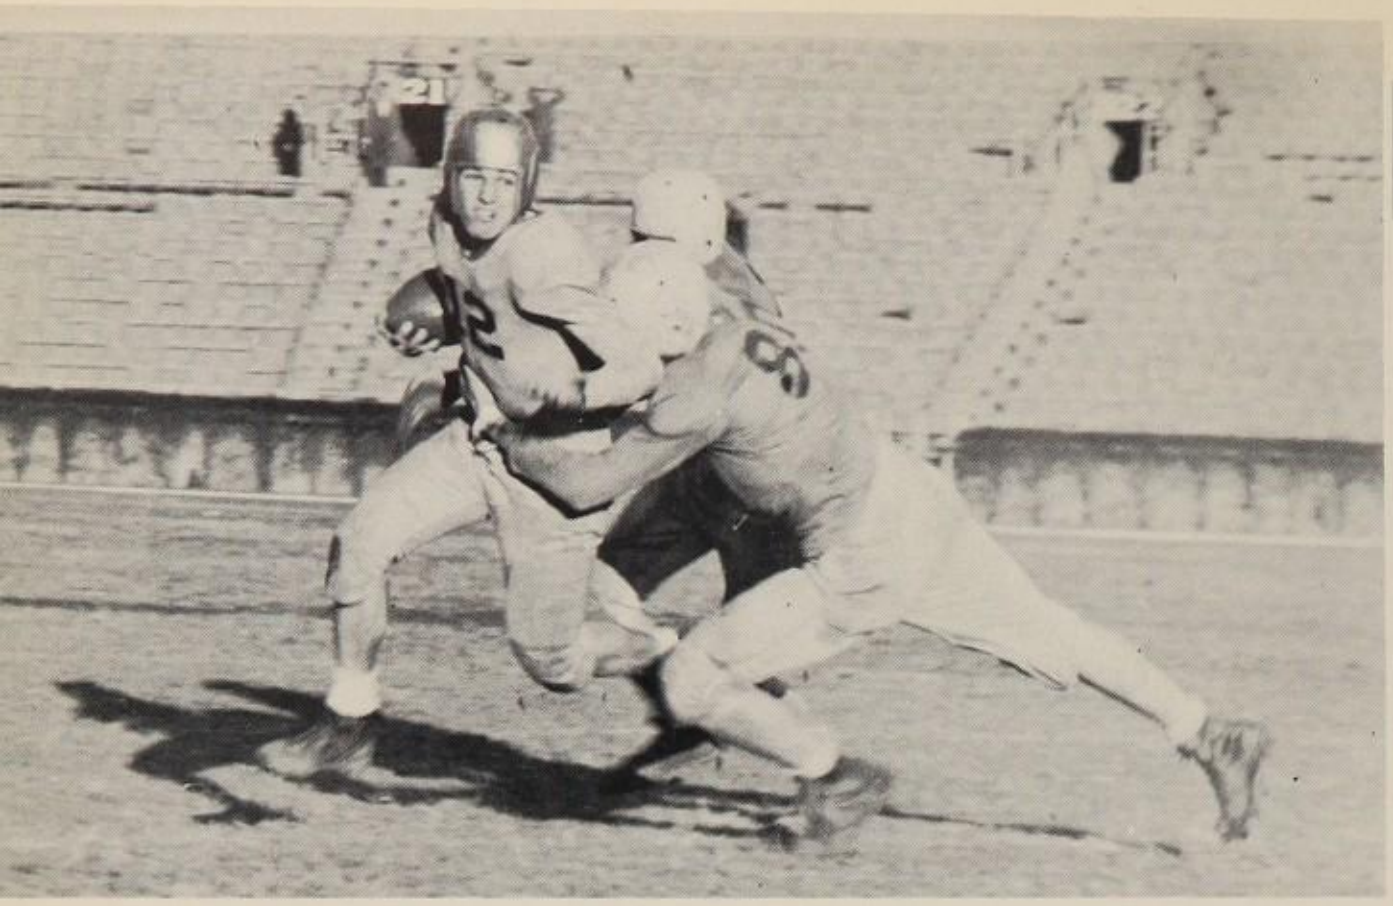
Hayes 19 — Chaminade 6

Rated as the underdog, the Hayes eleven met their opponents from Mineola at Randall's Island Stadium on October 17th. Piling up two hundred and forty-four yards in total offense, the Redbirds ran roughshod over the Crimson and Gold. Fred Rossetti, a junior, displayed amazing ability in the backfield, romping across the goal line for two of the three touchdowns. Cacciopoli scored the third.

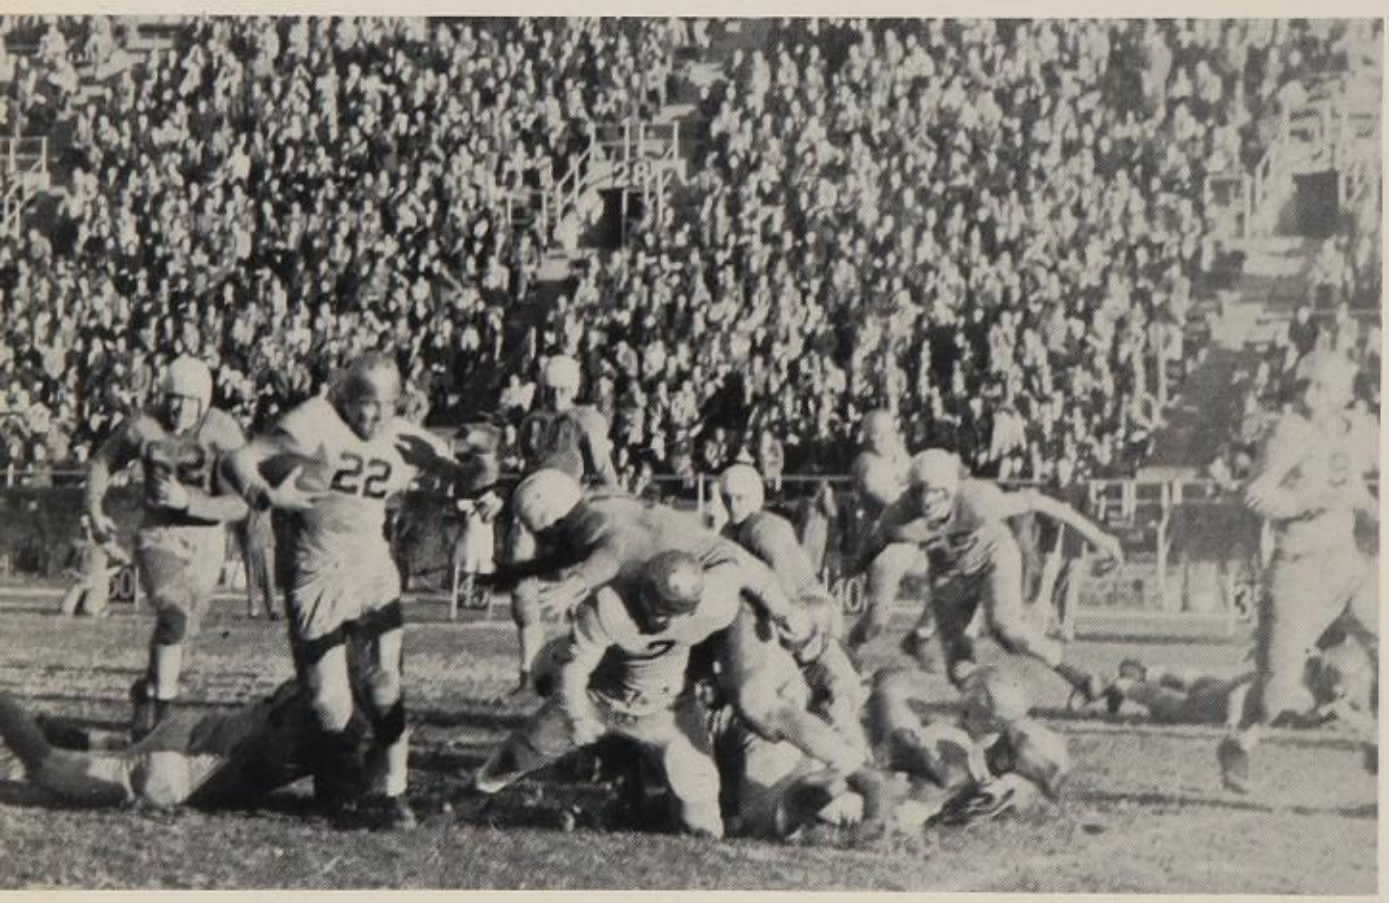
Hayes 16 — St. Francis 0

Not long after the opening gun it was obvious that the Cardinals were superior to the Terriers of St. Francis. They carried the ball where they willed and in trouncing the Brooklynites 16-0, gained their third straight victory in four starts. This provided them with the second best Catholic school record in the city, putting them right behind the pace-setting Mt. St. Michael eleven.

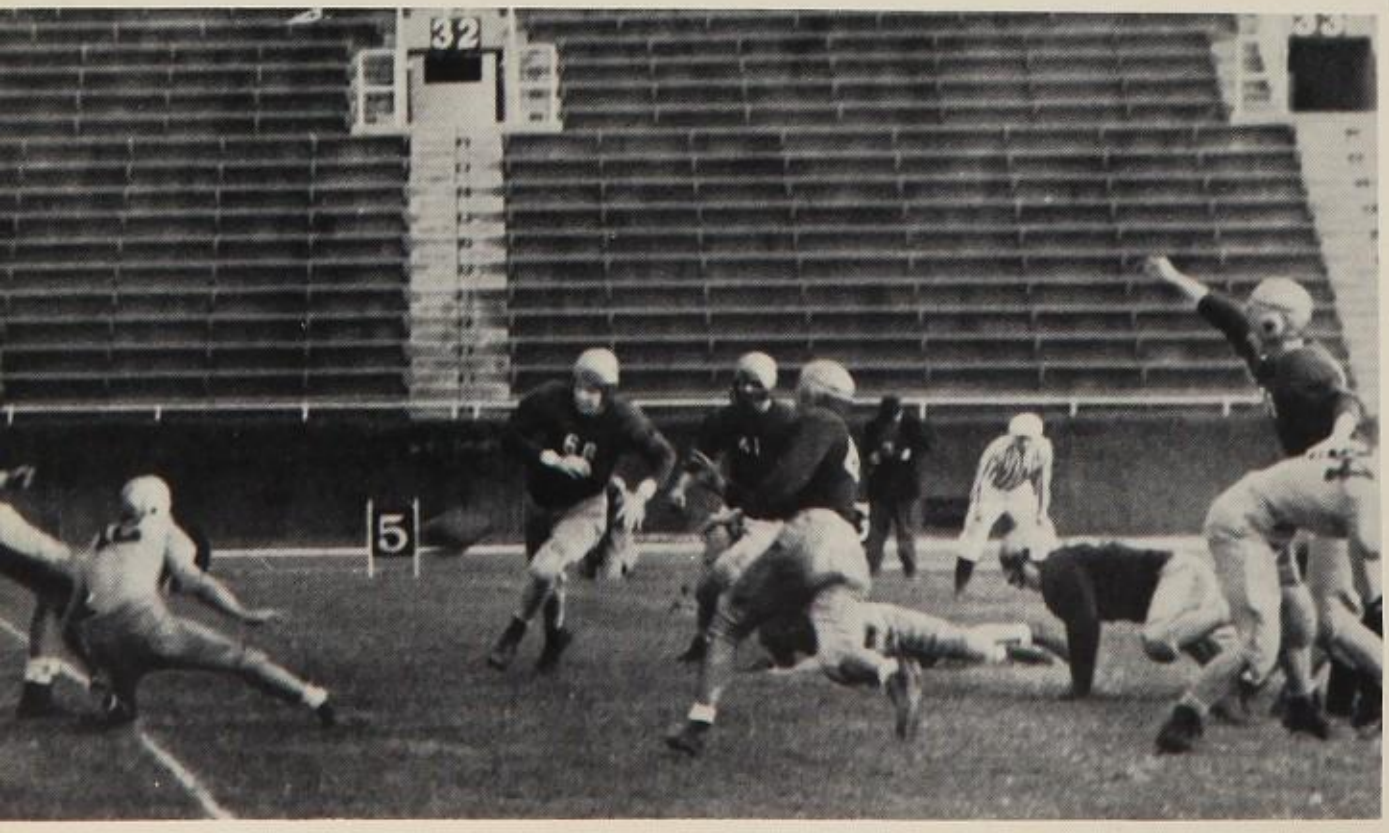
Charley Gagliano is stopped by an alert Chaminade tackler.



Gagliano is stopped by two Xavier men as he attempts an end run.



Relying on his interference, Gaidzis starts off on a long run.



Bradshaw's kick for the extra point is blocked by Fordham.

Hayes 34 *Fordham 14*

In defeating the junior Rams the Hayes gridders reached the peak of their offensive achievement and established a team scoring record. Gagliano and Rossetti each scored two touchdowns and Bradshaw made three conversions to put the Redbirds ahead 27-0 at the start of the final quarter. The Rams scored two touchdowns and Rossetti countered with another, making the final score 34-14.

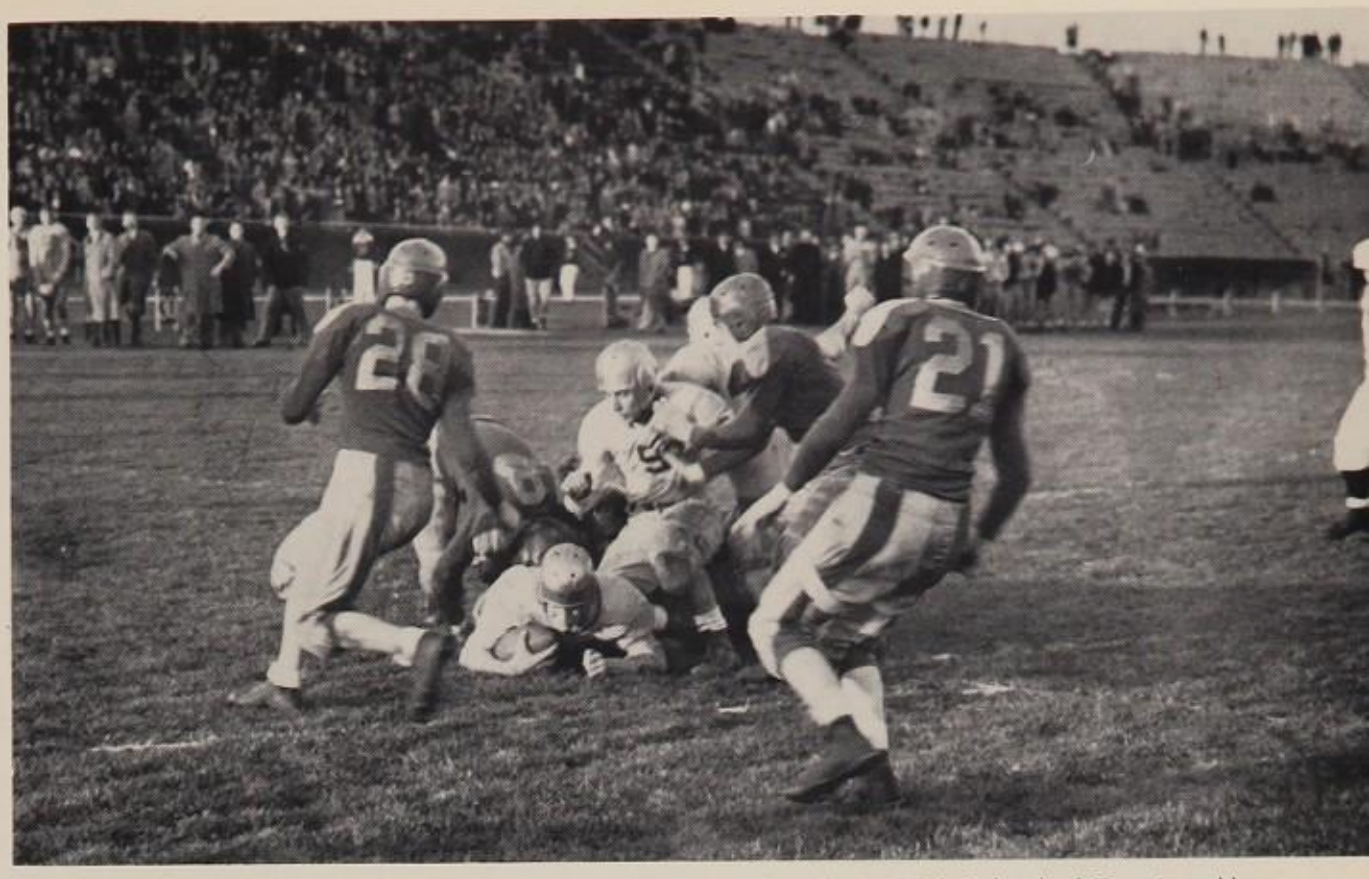
The Spirit of Hayes

Hayes 27 *Xavier 6*

On Nov. 7th the Flying Cardinals added their fifth straight victory by humbling the Cadets of Xavier, 27-6. Trailing 6-0 at the end of the second quarter, they returned to the field after the half in a burst of glory. Touchdowns by Cacciopoli, Gagliano and Rossetti in swift succession put the game out of all danger and revealed the Hayes eleven as one of the best in the city.

Hayes 18 *Coyle 0*

Determined to avenge the defeat of last year, Hayes met Coyle of Taunton, Mass. on November 14th. Leading at the half 6-0, the Redbirds came back to run up two more touchdowns. Gaidzis burst through right guard and raced seventy-four yards for a brilliant score. Then Tighe and Rossetti pushed the ball downfield in a powerful offensive and Cacciopoli plunged over for the final marker.



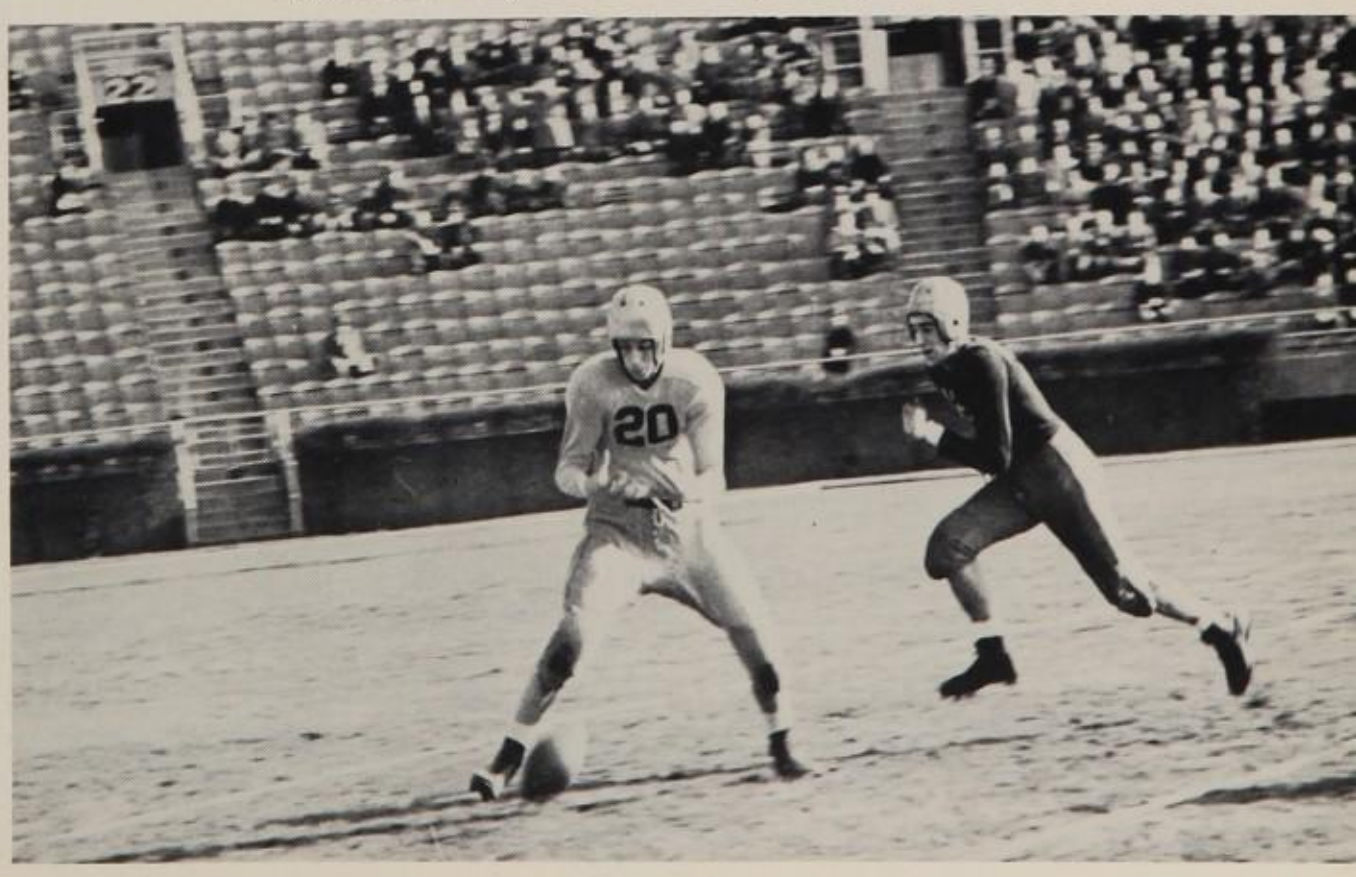
Cacciopoli has just scored a touchdown against Coyle High School of Taunton, Mass.

Spurs Hayes Men On

Hayes 13 *Mt. St. Michael 13*

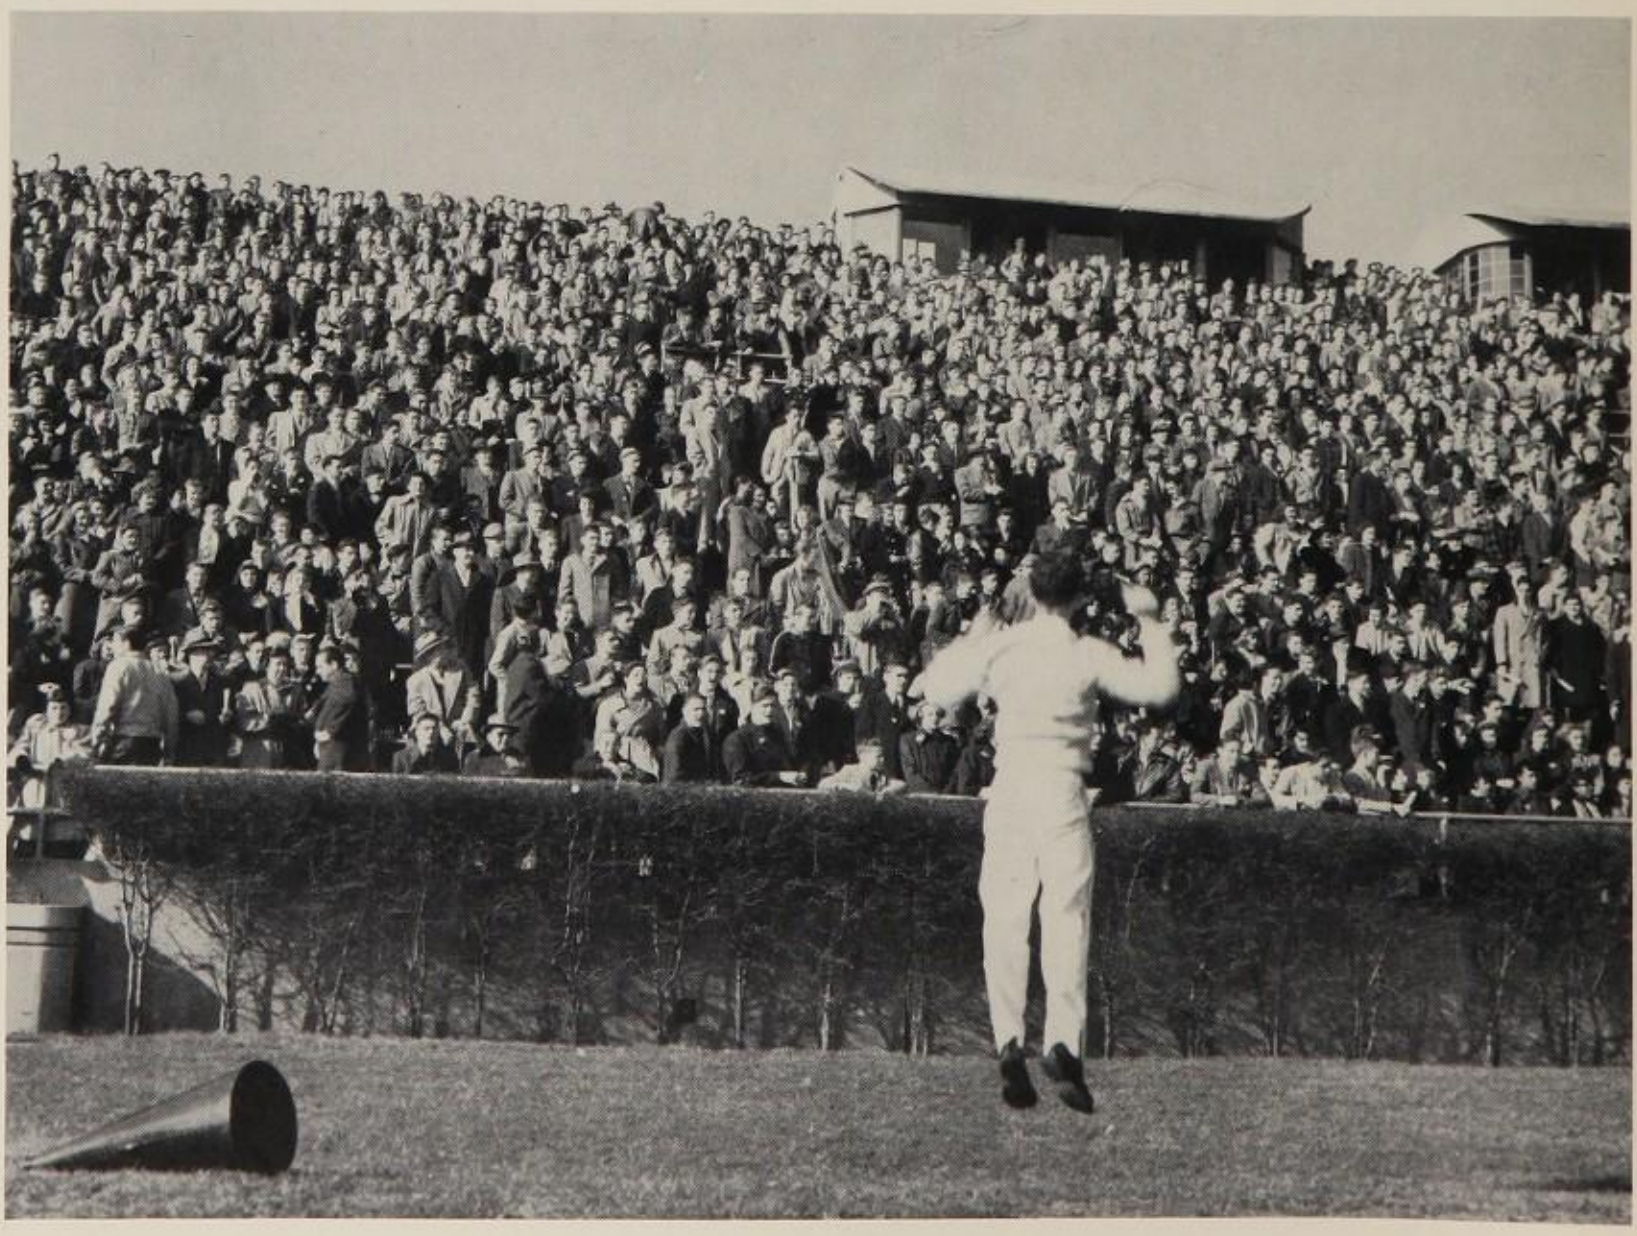
An underrated but only once defeated Hayes eleven took the field against an undefeated Mount team, that hoped to avenge last year's humiliating defeat. At the end of the first half Hayes was trailing 13-0, but the spirit of her loyal rooters brought a sudden change. The galloping of Rosetti and the plowing of Cacciopoli tied the score and gave the Cards a moral victory.

Tighe is on his way to a touchdown against Coyle which was called back.

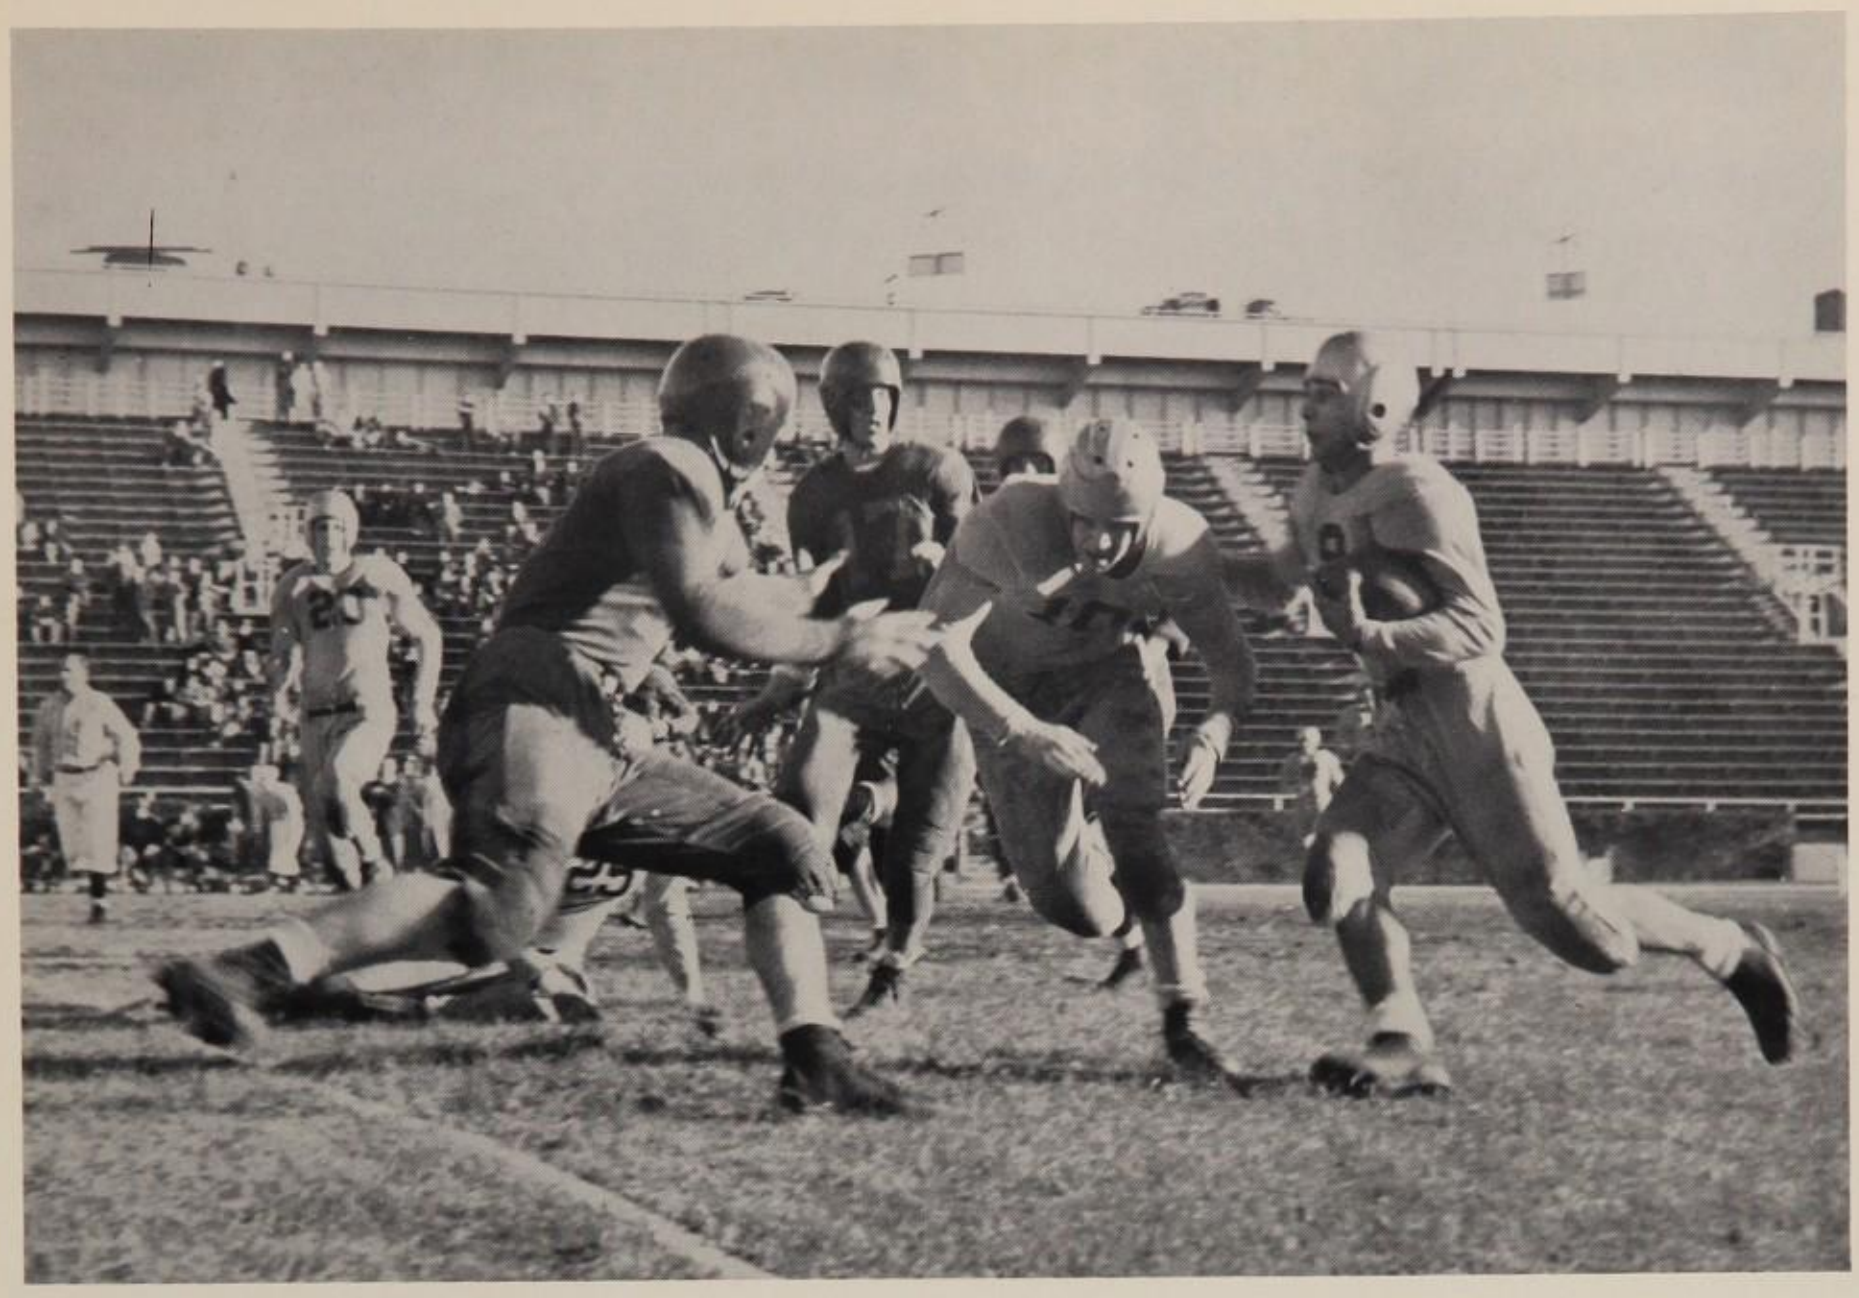


Bob Davolio has just dropped a pass in the end zone. He made up for it later by catching one.

Charlie Cacciopoli tumbles a Brooklyn runner near the goal line as Mike McKeown (36) moves in.



This peppy cheerleader is working hard to evoke cheers from the crowded stands.



Brennan (10) supplies interference for Rossetti as he gets off on one of his long runs against St. Francis.

Coach Krywycki tapes Artie Sorce's feet just before the St. Francis game as some of the other players look on.

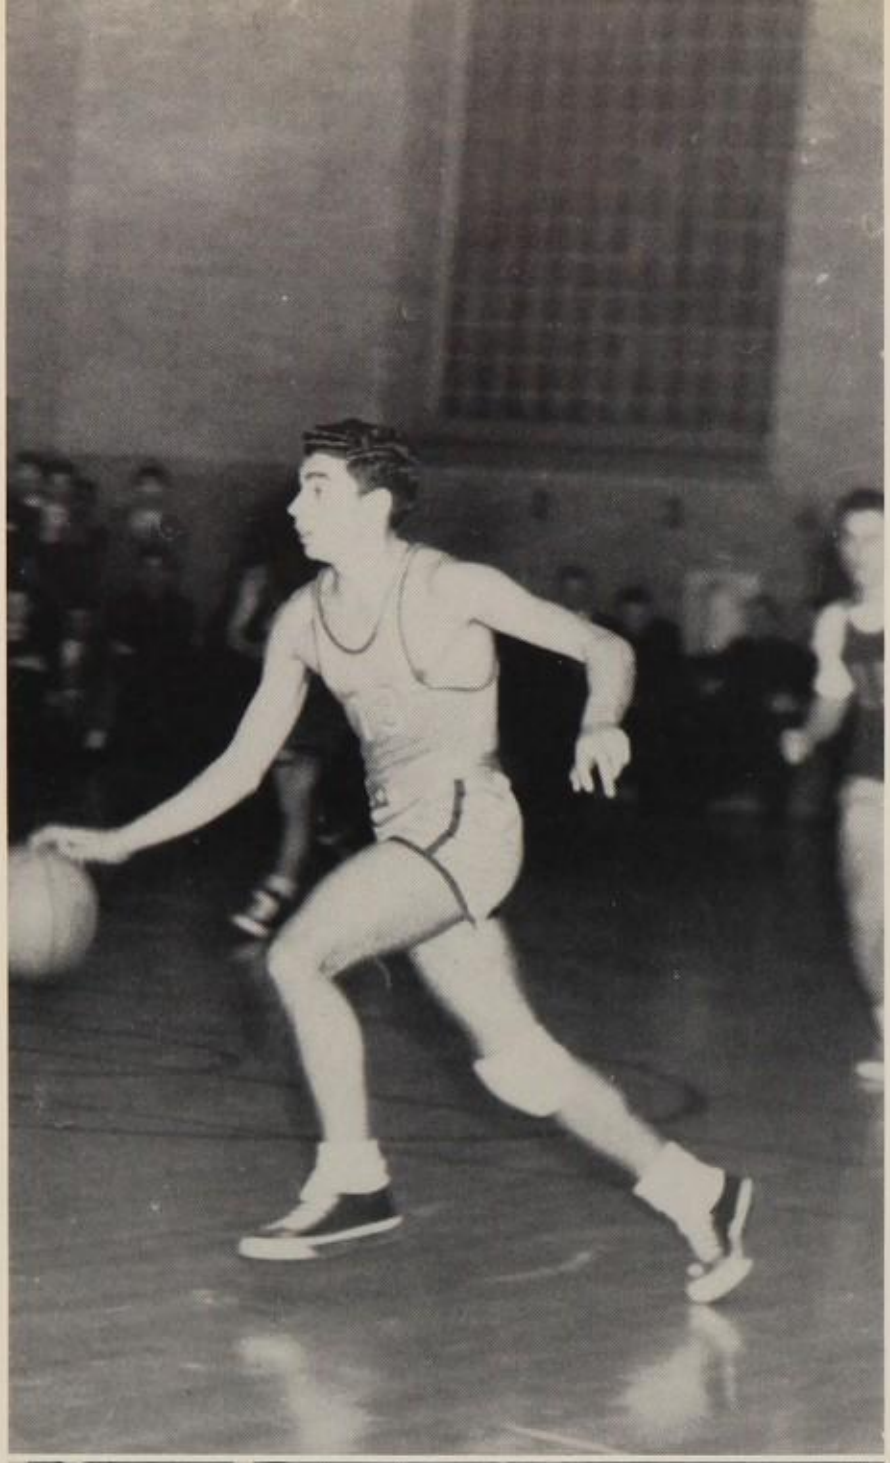
CENTER: Patrick Mackin (Manager), Mr. Gallagher (Coach), Celin Fernandez (Manager).

When Nat Volpe, our basketball coach for seven years, moved to Stepinac last September as head of the Physical Education department, the task of coaching the Hayes "5" was undertaken by the head of our own Physical Education department, Bernie Gallagher. That his first season was a tremendous success is proven by the final record of twenty wins against four losses that our varsity racked up.

After proving their ability by defeating the all-time greats of past Hayes quintets, 54-50, the Redbirds proceeded to gobble up Bishop Loughlin in their first league game 52-41, giving the fans an idea of things to come. Living up to expectations, the team then quickly defeated St. Simon Stock, Fordham Prep, our arch rivals—Mt. St. Michael, St. Ann's, All Hallows, Power Memorial and Rice. Finally the flying Cardinals met defeat at the hands of a fast Regis five after a hard-fought game, 49-46. Showing that they could not be discouraged, they went on to crush LaSalle 58-37 and in a return game with the Mounties the Cardinals again showed a collection of fast breaks and expert pivots to hand them another defeat to the tune of 63-37.

St. Ann's and All Hallows again broke the chain of continual victories by defeating Hayes 42-32 and 30-28 respectfully. Undaunted, however, the Redbirds took to the courts against Power, Fordham, Rice, Loughlin and LaSalle successively, losing only to Bishop Loughlin. Finishing the regular schedule of the season in true Hayes tradition, they defeated the cadets of Xavier, 49-41, taking third place in the C. H. S. A. A. league.



Mr. Gallagher then entered the team in the tournament sponsored by the Knights of Columbus. In their first encounter the Hayes quintet defeated Chaminade 52-33 and hopes of winning the tournament soared high among the fans. The Redirds then came up against the Loughlin five who were intent on repeating their earlier victories but were sadly disappointed when Mr. Gallagher's boys reversed the earlier decisions by winning 46-42. Meeting a new foe in St. John's, Hayes again showed its superiority on the court. Finally, the Cardinals entered the play-off against Xavier and in a close, tight game defeated their apponent, 32-30, and took the victory in the tournament. Congratulations, Mr. Gallagher, and good luck for the future!

Lou Gigante displays the speed with which he travels down the court.

Matt Tolan tries to wrest the ball from two LaSalle players.

Denny Murphy is about to heave one in the game against the Alumni.

Spirit Sparked the Junior Redbirds

The spirit of this year's Jayvee Basketball squad was equalled only by the spirit of their rooters, the loyal students of Hayes. Coached by Brother Timothy for the fifth successive season, the Junior Redbirds displayed great winning power in netting seventeen victories out of twenty-one games played. Smooth teamwork was rewarded when they placed second in the Catholic High School Athletic Association League competition for junior varsity teams.

Beating such strong teams as Regis, La-Salle, Fordham Prep, Mount Saint Michael, Bishop Loughlin, St. Simon Stock, Power and Rice, they lost only to St. Ann's and All Hallows. All the players contributed to the success of the team, responding beautifully to the helpful and zealous coaching they received, but outstanding among them, and therefore deserving of special mention, were Jerry Bochicchio and Jerry Lechleiter whose nimble footwork and expert passing gave promise of their being great assets to the varsity next year. With the holdovers from this year's squad as a nucleus and these promising players in reserve, the prospects for next year's varsity seem very encouraging.

Pitcher

As the CALENDAR goes to press, the Varsity Baseball team is tied with All Hallows for the championship of the Catholic High School Athletic Association League. With only one loss in league games Coach Krywycki and the members of the team are confident of taking the Bronx championship for the fifth successive year. The clutch pitching of Bill Bradshaw and Ernie Ferraro and the sparkling play of the fielders have pulled us out of many a tight spot so far.

After losing their opening games to Monroe and Columbus, the Varsity defeated All Hallows, Roosevelt, Manhattan Prep, St. Simon Stock and Fordham Prep successively. They lost, however, to Mt. St. Michael. Since then they have entered on a winning streak, defeating Bronx High School of Science, Taft and Tolentine. Our deadline does not permit us to give the complete record, but we are confident that the superb coaching of Mr. Krywycki will, as in the past, give us another excellent season.

Jayvee Baseball

With his Jayvee Baseball team still undefeated after six games, Father Pavis, the spirited coach of our future stars on the diamond, reported that the prospects of an undefeated season were strong. However, the All Hallows games were to be the deciding factor.

The material of this year's squad rivalled the best that Hayes had yet seen. Keneck, McGarry, and Schmidt formed a fine pitching staff with Keneck showing promise of being a future star. Gillen displayed great ability as a catcher; McPhee was a good all-round player but he shone particularly at first base. Pat O'Leary revealed himself as the slugger of the team and Wellborn proved to be a hustling, hitting outfielder.

Father Pavis, as in years past, formed a splendid little ball club. This year he was assisted by Brother Wright, who was of great service to him in directing and developing the team.

Bob Brennan retained his first place in the 100-yard breaststroke and combined with Jerry Curran and Charlie Miller to take first place honors in the medley relay race. Curran and O'Donnell added second place points in the 100-yard backstroke and 50-yard free-style events respectively.

In the National Catholic Meet Hayes crowned its first national champion in the person of Jerry Curran who won the 100-yard backstroke. However, the medley team of Curran, Brennan and Miller was defeated for the first time, but took second place finishing about three-tenths of a second behind the pace-setters. To Father Anglin and his tankmen the CALENDAR offers congratulations and good wishes for future seasons.

Track

Ever since Mr. Howard Borck took over the task of coaching the Hayes Track teams, interest in the cinder path has increased and every year more hopefuls turn out to try for the teams. This year in the various meets they entered the Hayes harriers brought credit to themselves and to their Alma Mater. During the indoor season they entered the Stuyvesant meet, the Bronx Championships, the Bronx-Manhattan-Westchester meet in which they won everything, and the Catholic Championships in which they were leading all the way until the last event. During the outdoor season so far Hayes runners have been entered in the Seton Hall Relays, the Penn Relays where they took second place in the national two-mile relay, and the Brooklyn College meet where they won second place in the 880-yard relay and third in the mile relay. The printer's deadline does not permit a complete record, but the CALENDAR salutes Mr. Borck and Brother Claude for the fine job they have done in making Hayes one of the outstanding threats in track.
